

НАБОР ЦВЕТОВ

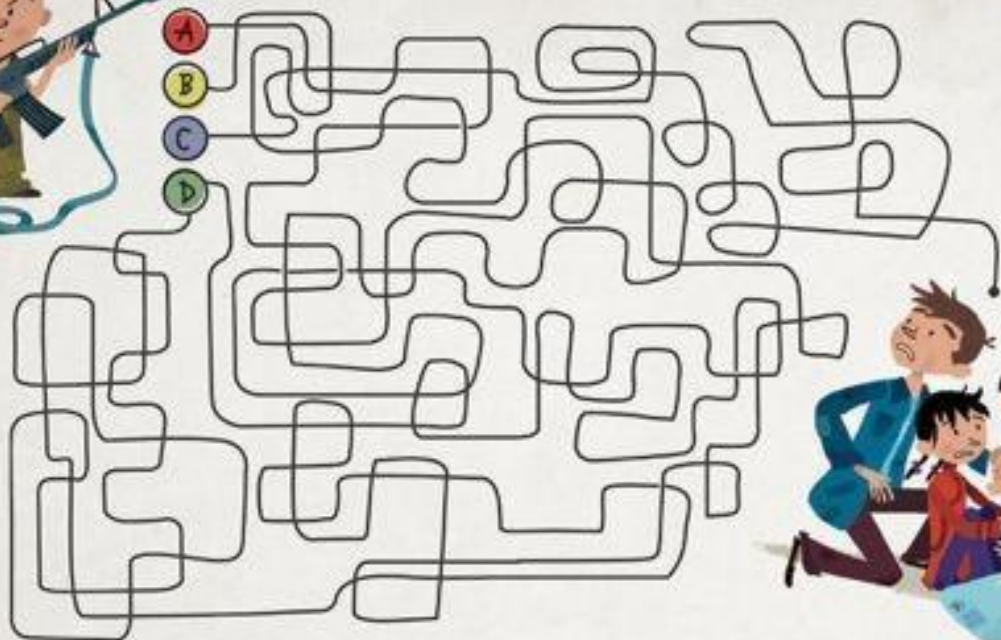

Для детей
и
взрослых

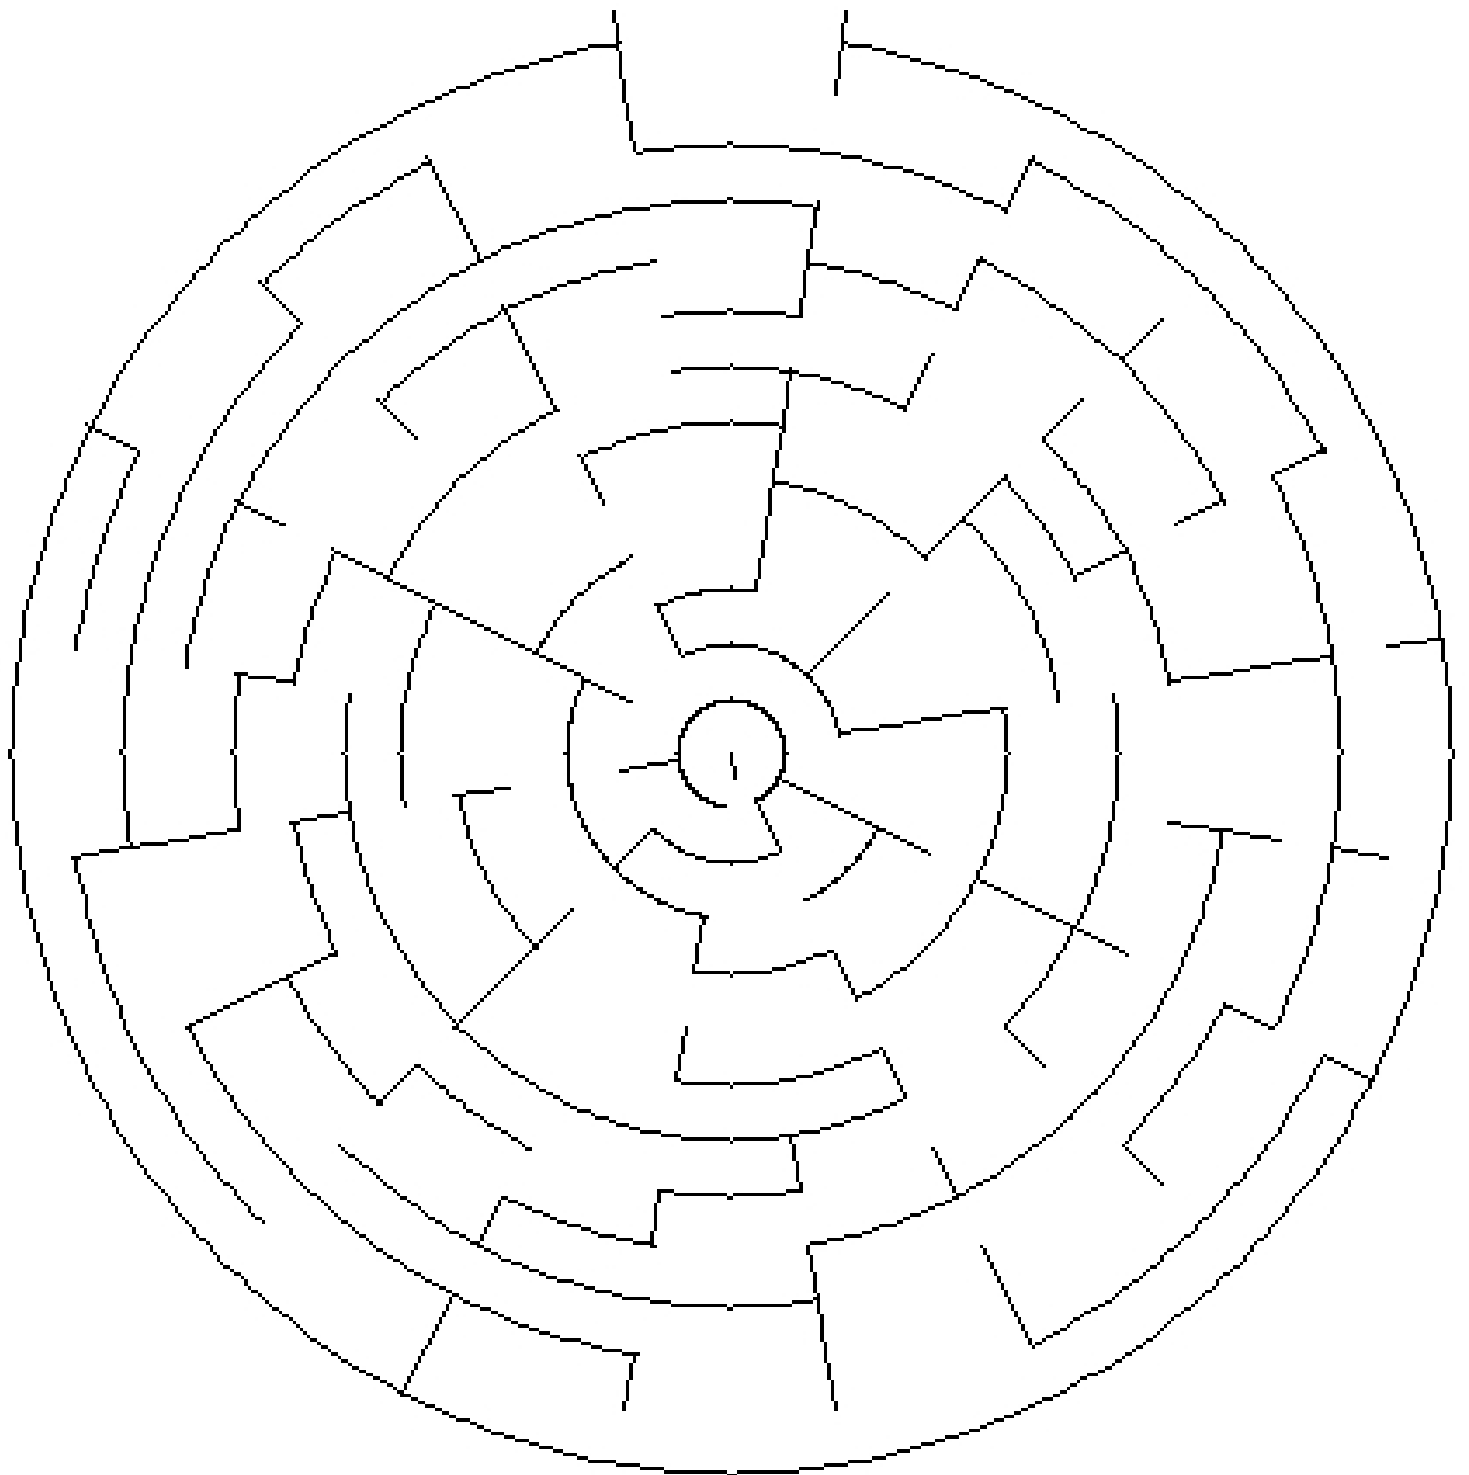

В данном сборнике, неизвестного составителя, собрано более семисот лабиринтов. Это черно-белые и цветные, круглые и квадратные. А так же других различных форм и фигур. Этот сборник будет интересен как детям, так и взрослым любителям лабиринтов.

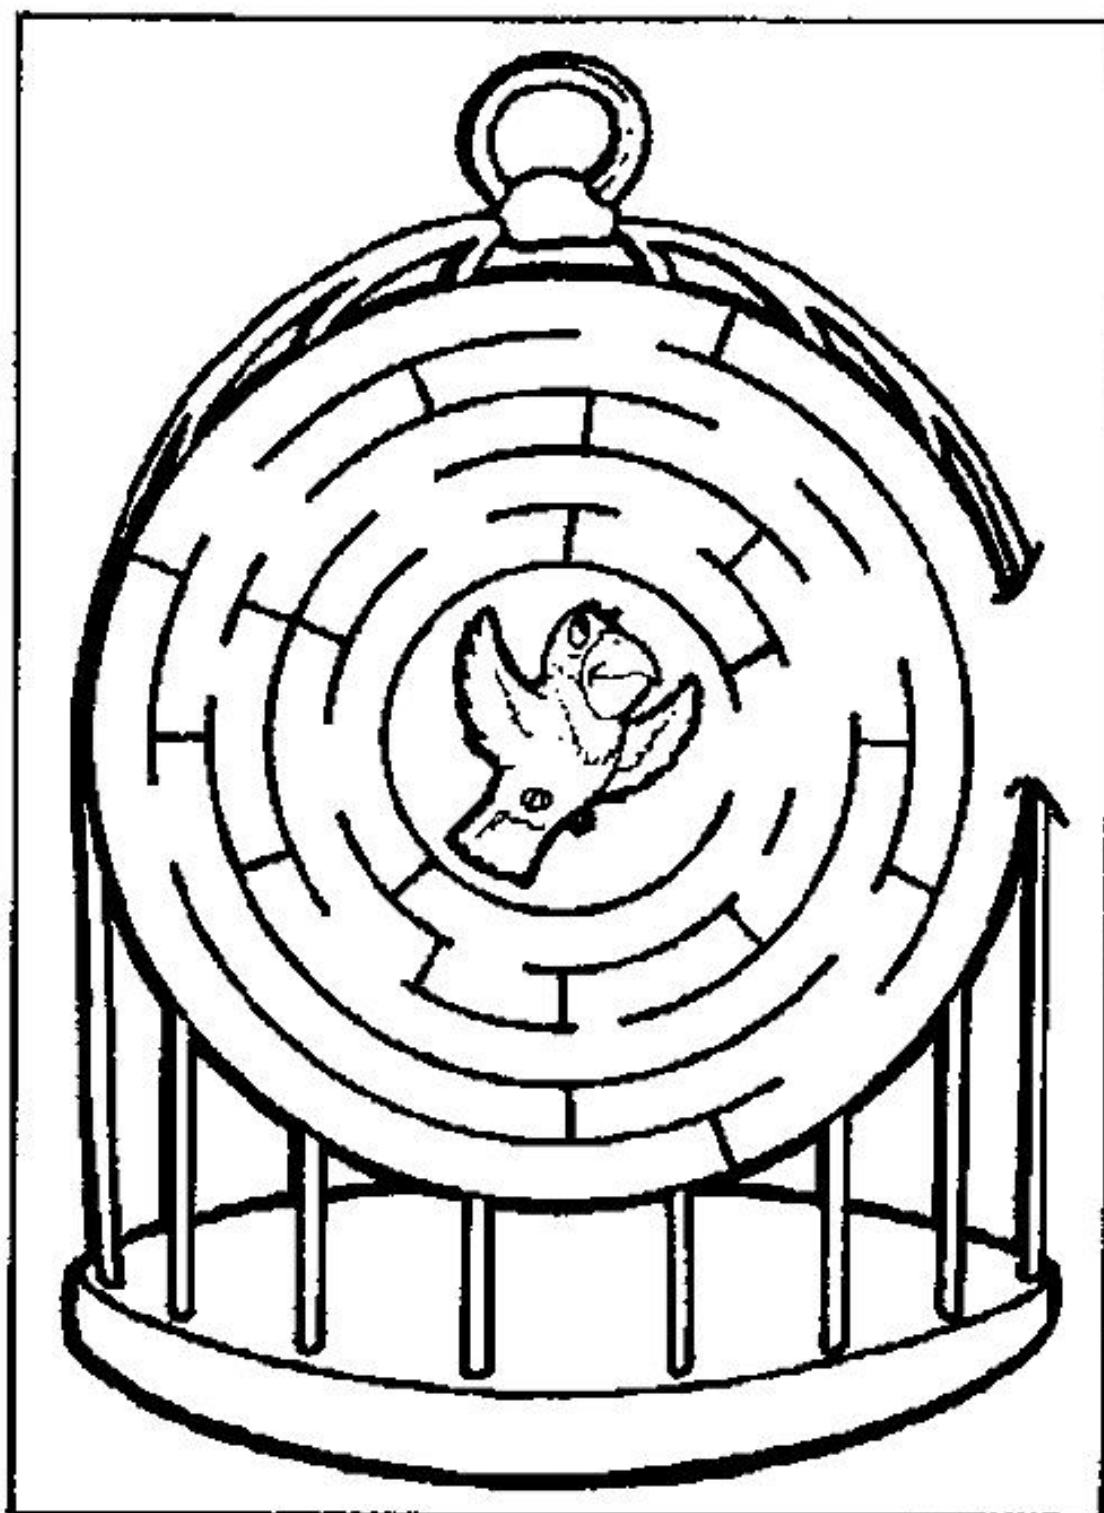

Pour 300 000 enfants dans le monde, la guerre n'est pas un jeu.

Plusieurs millions d'enfants soldats ont morts ou tombés aux dix dernières années. Incessamment fusés à la mort, interrogés et forcés à former aux armes deviennent indispensables quand les conflits s'intensifient. Victimes et génocidaires potentiels, les enfants sont les vrais souffrants d'un jeu mortel initié par les adultes. Pour en savoir plus et agir : www.amnesty.org.fr

The image shows a large, intricate maze with a central square labeled 'SPHS'. The maze is composed of a grid of lines forming a complex network of paths and dead ends. The central square is a small, empty square with the letters 'SPHS' written inside it. The maze is rectangular and fills most of the page below the title.

Handwritten text in a cursive script, possibly a letter or a page from a book. The text is written in black ink on a light-colored background. The script is highly stylized and difficult to decipher. The text is arranged in approximately 12 lines. There are small red marks at the beginning and end of the first line. The text is surrounded by a decorative border of small, repeating floral or geometric motifs.

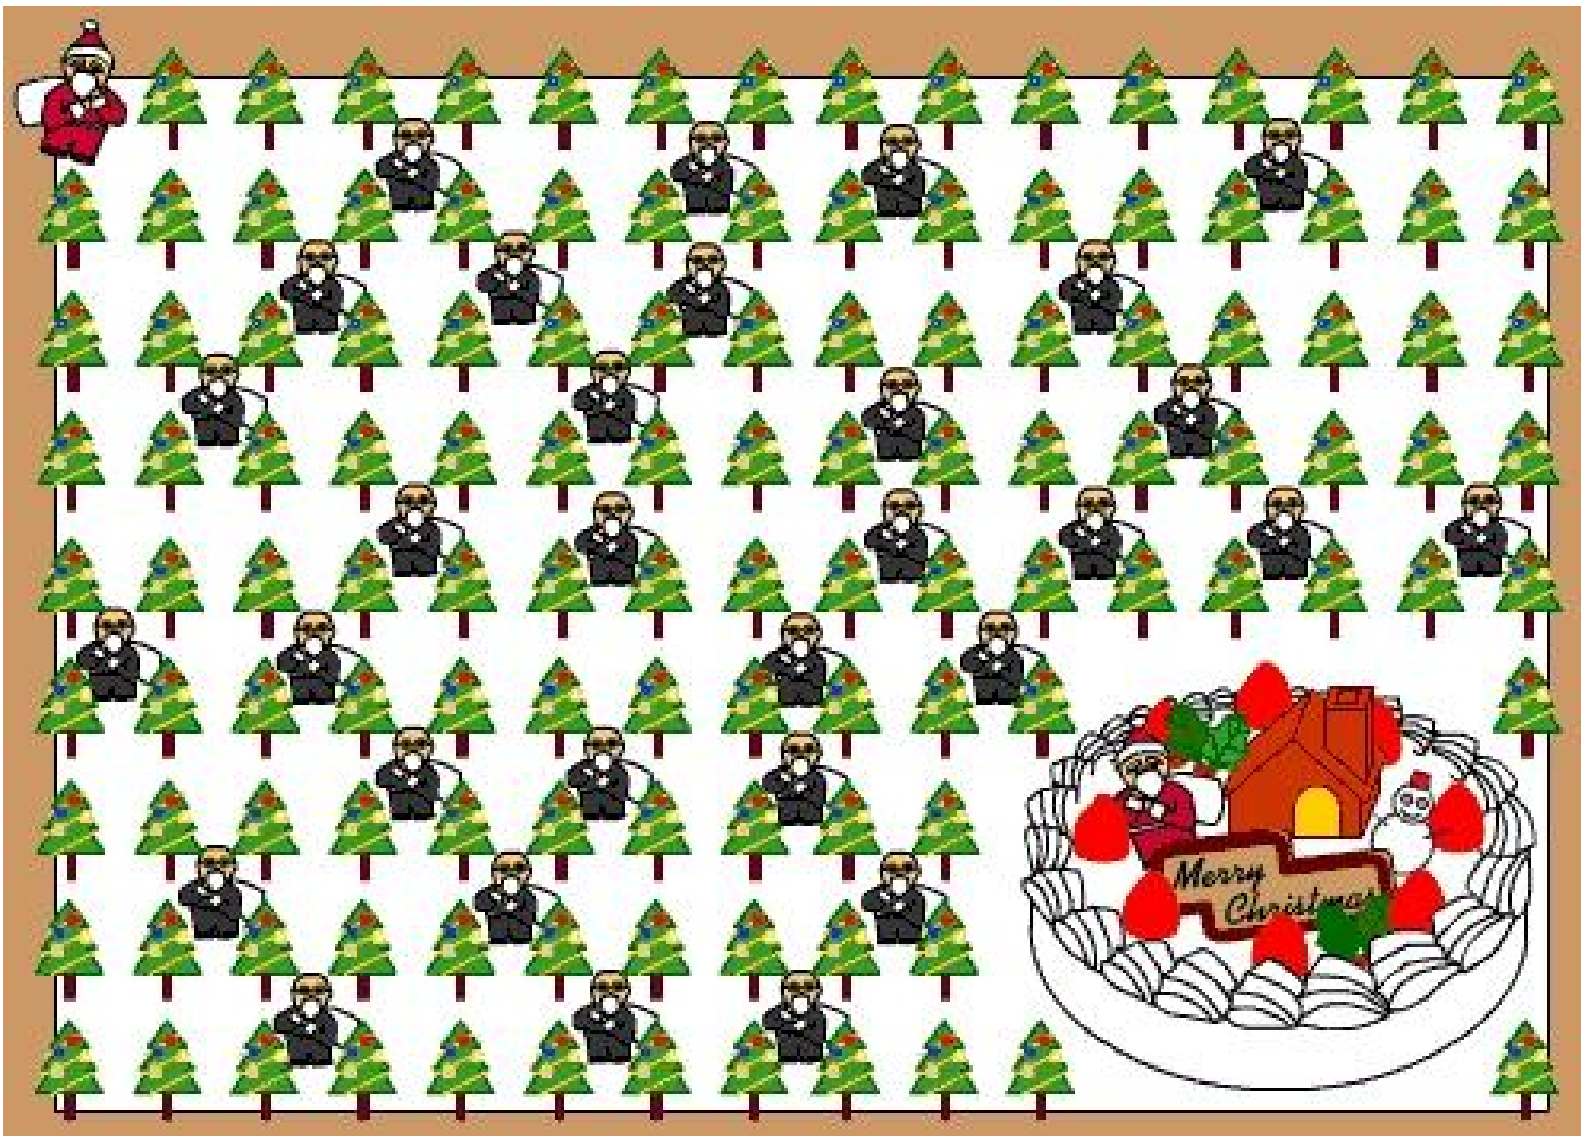

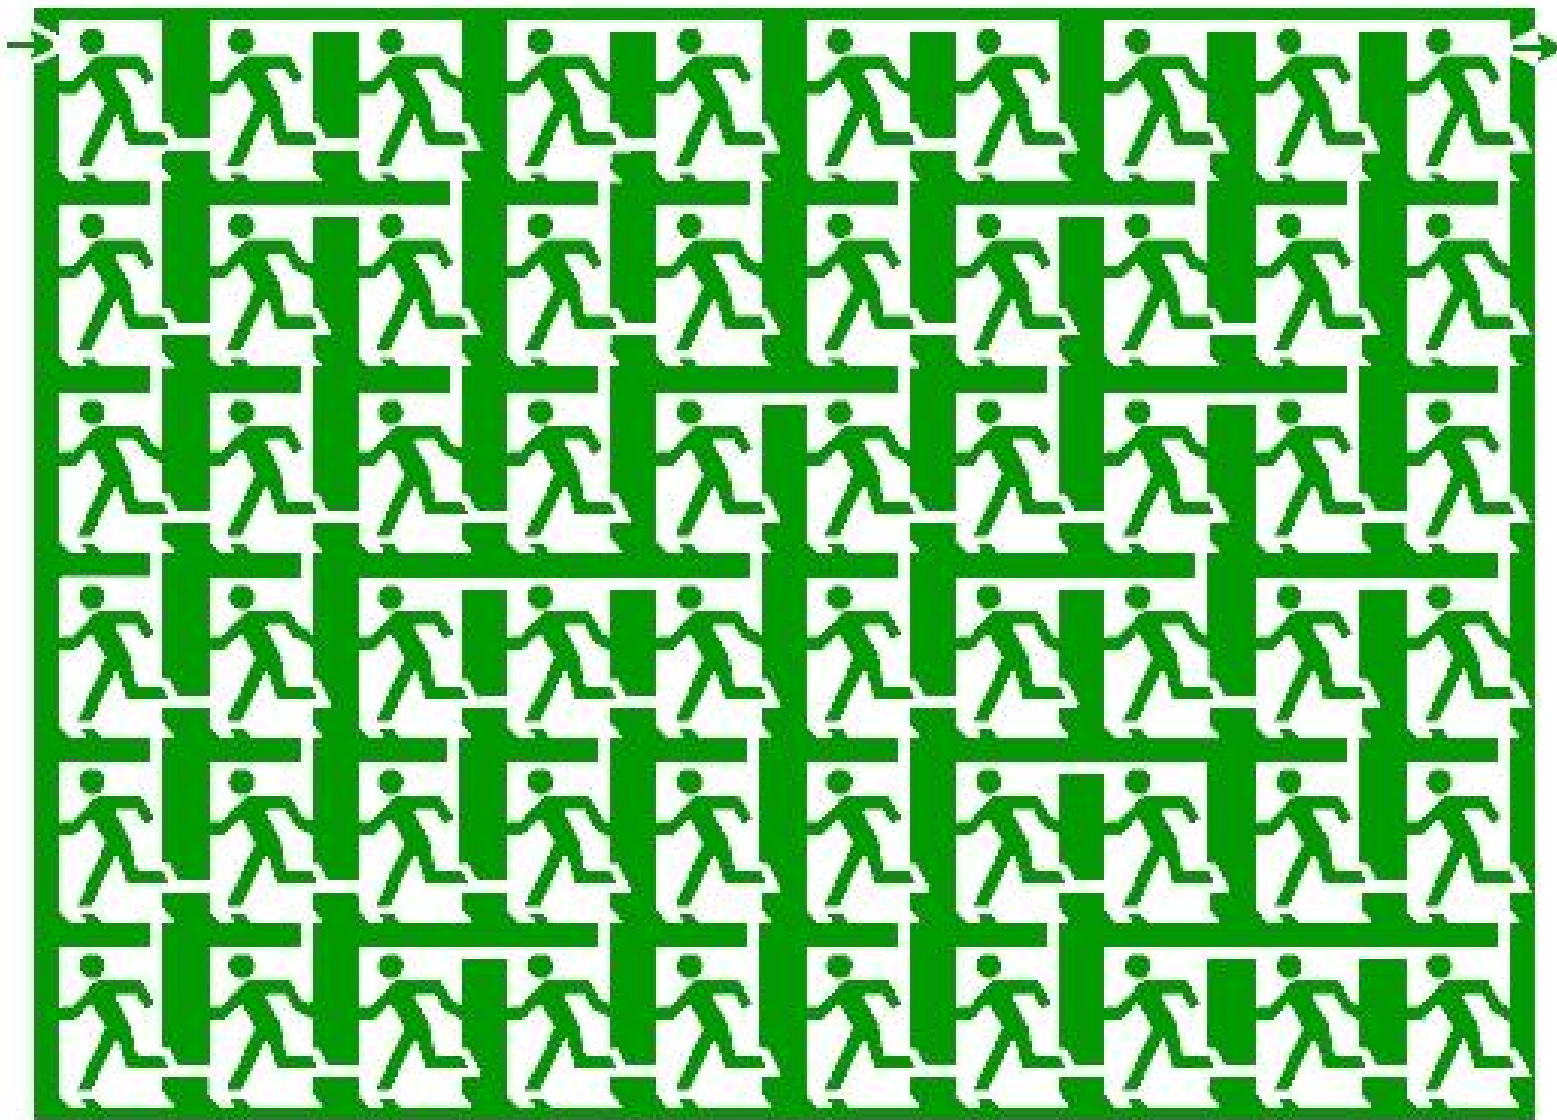

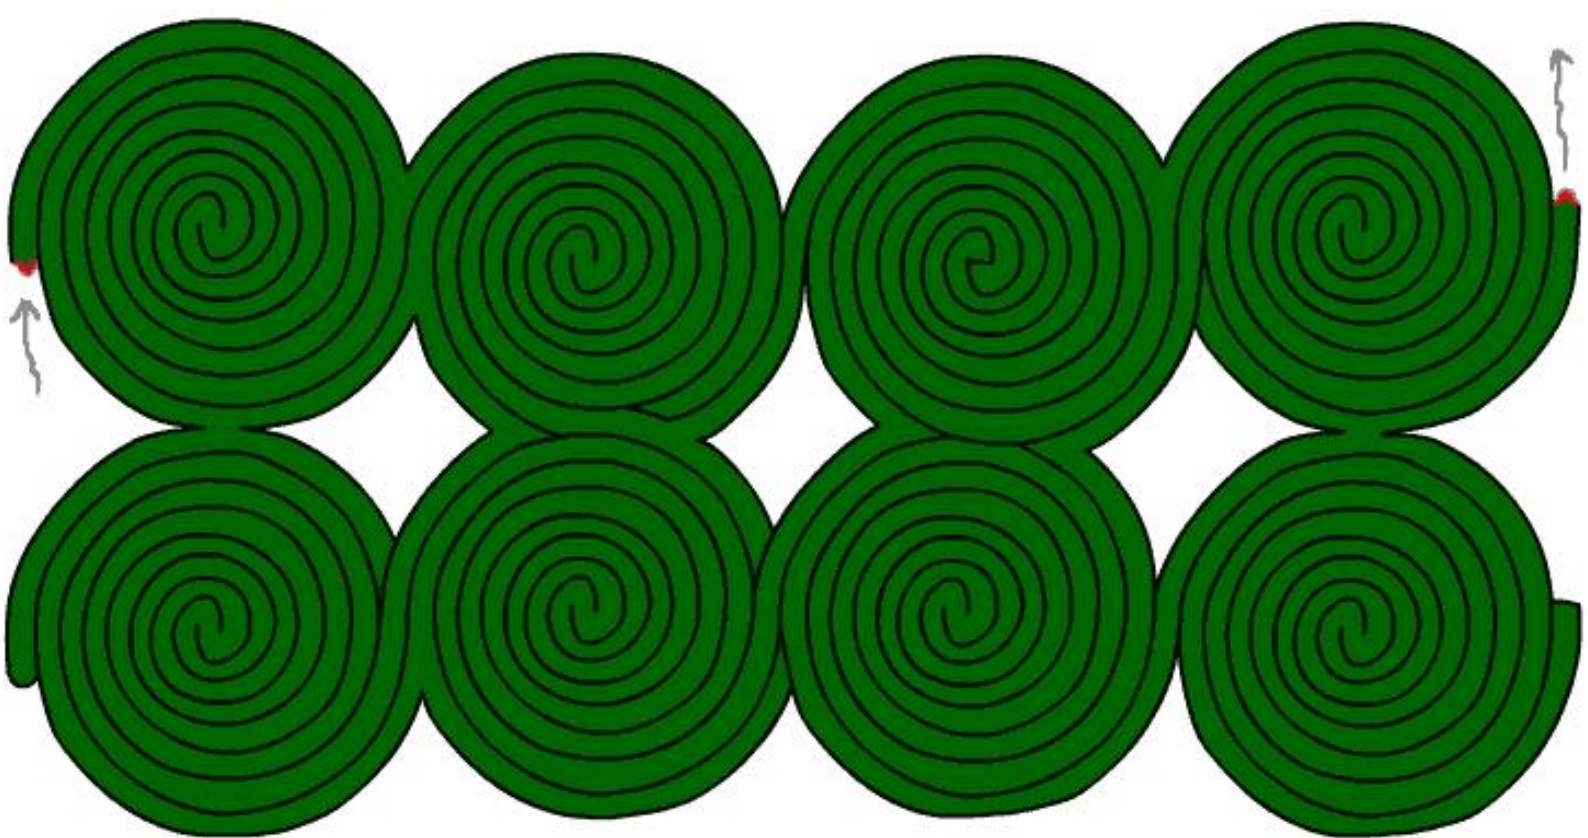

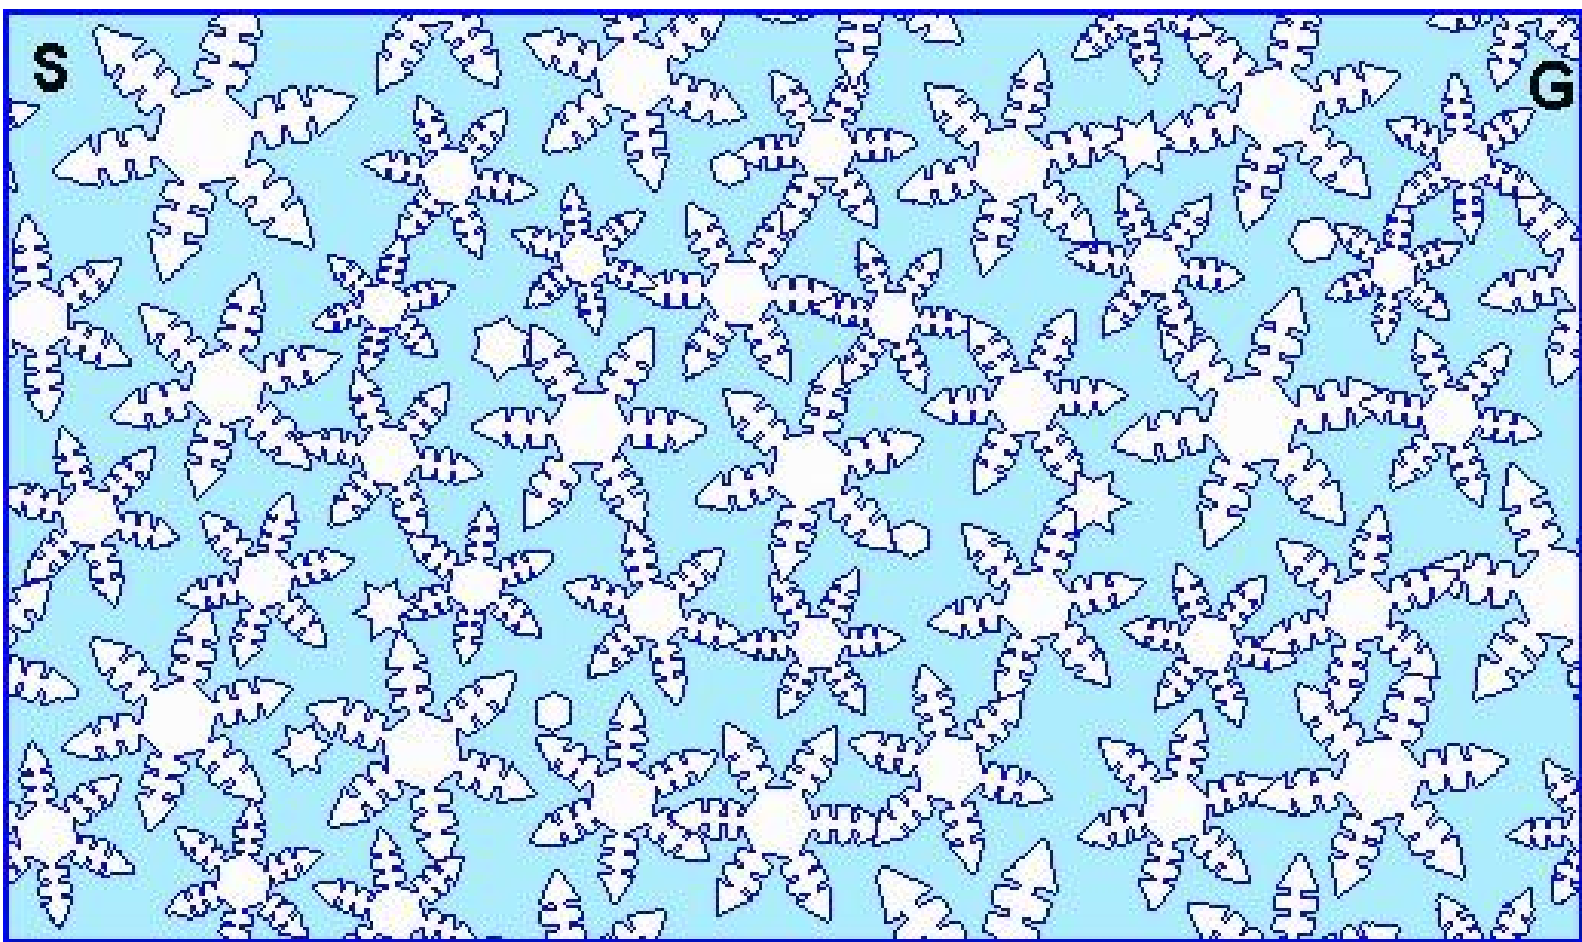

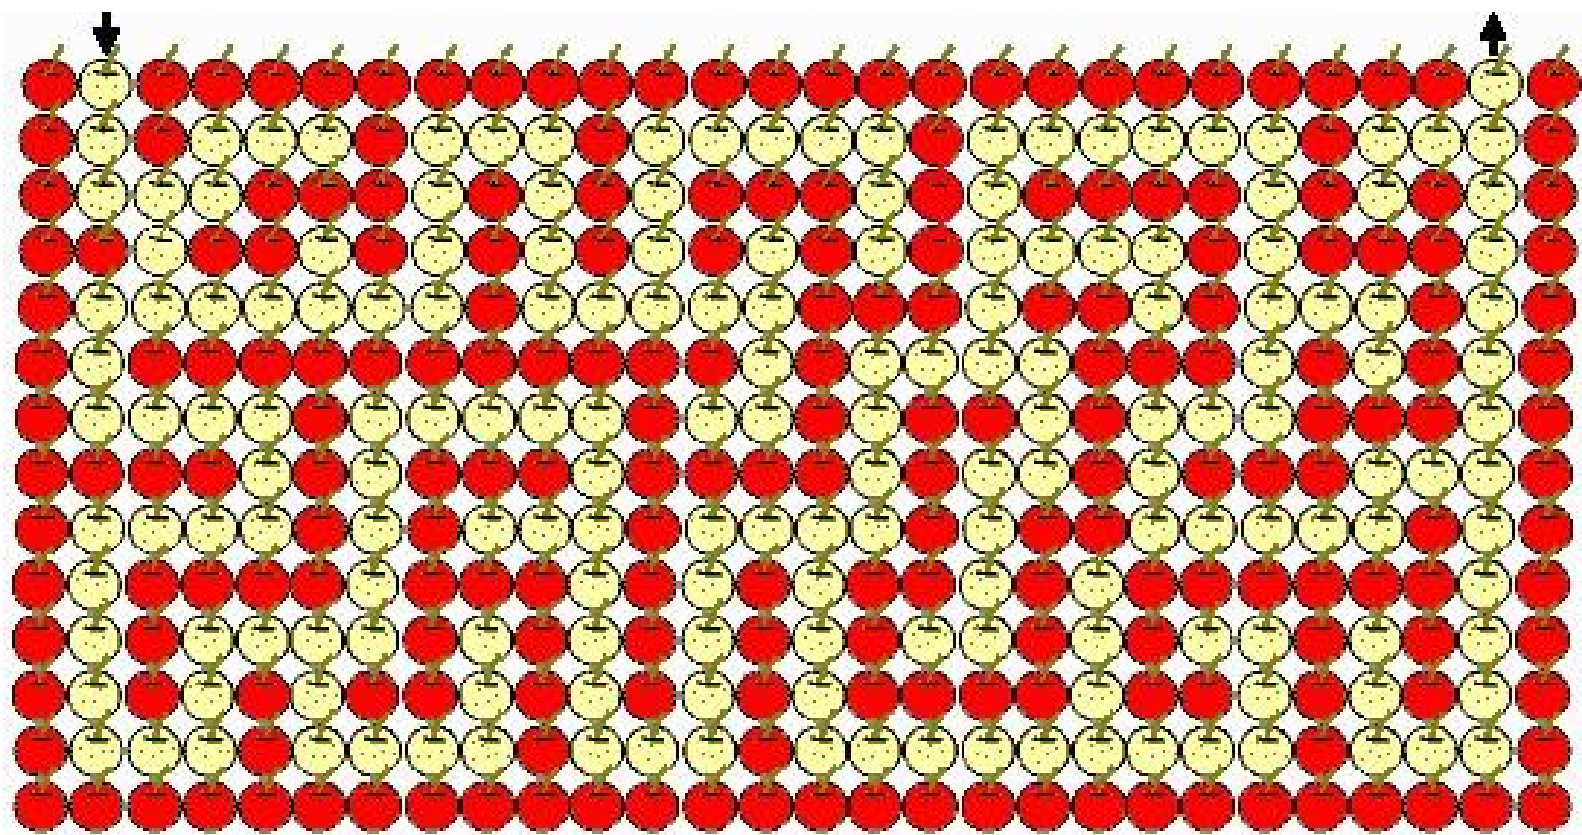

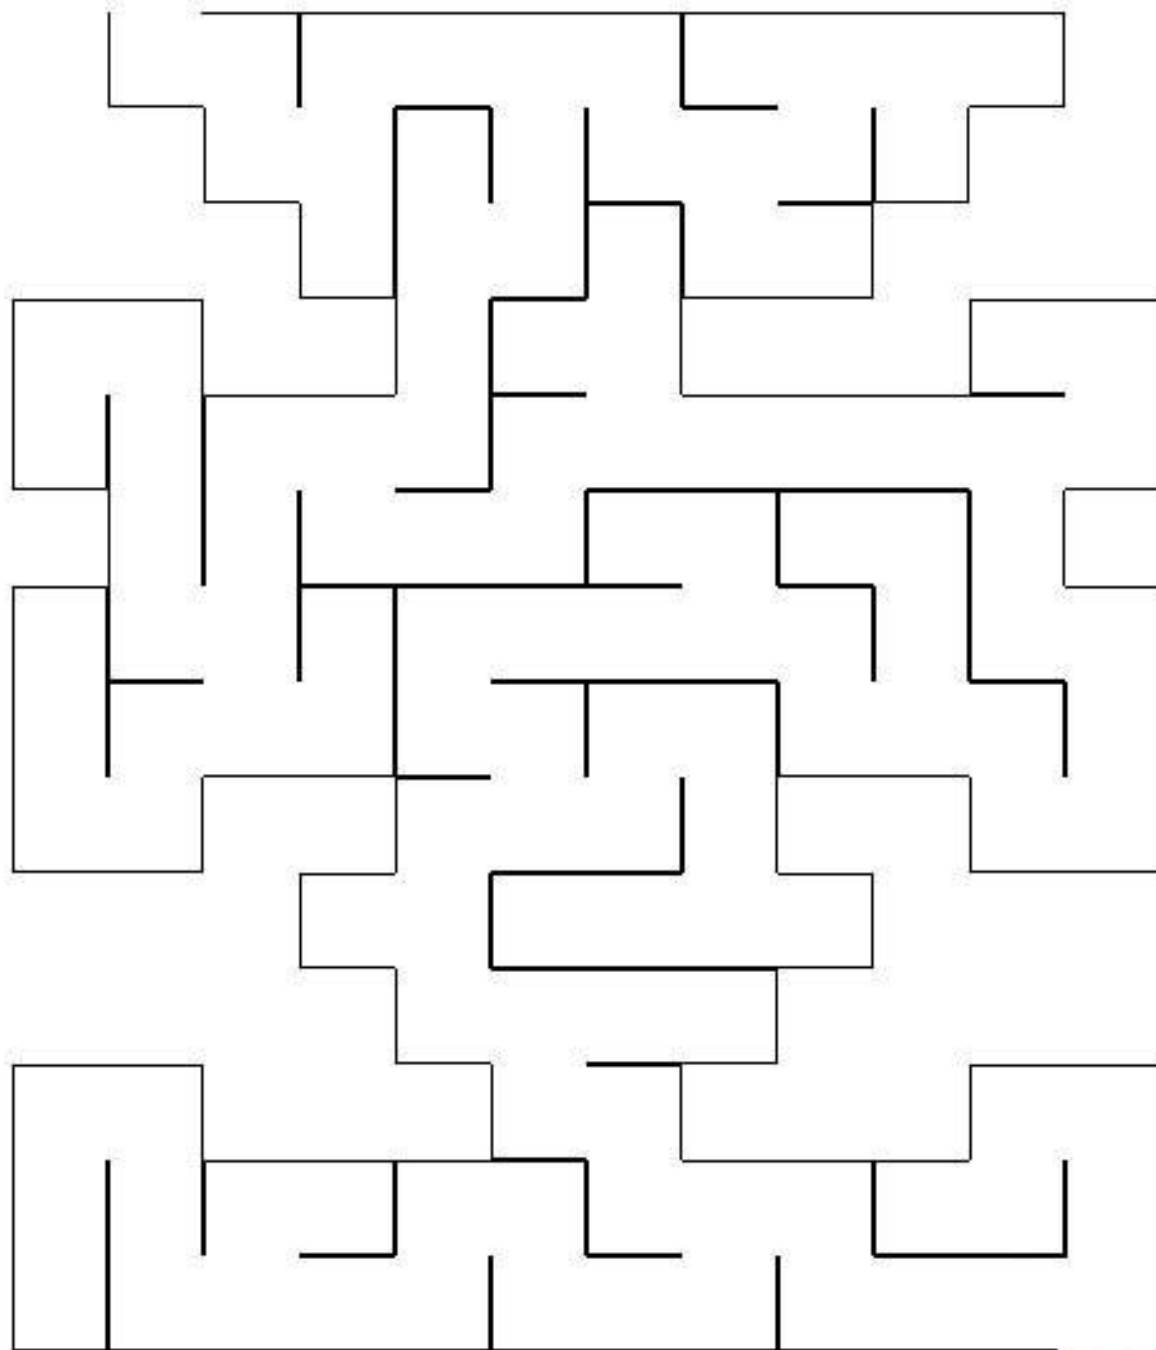

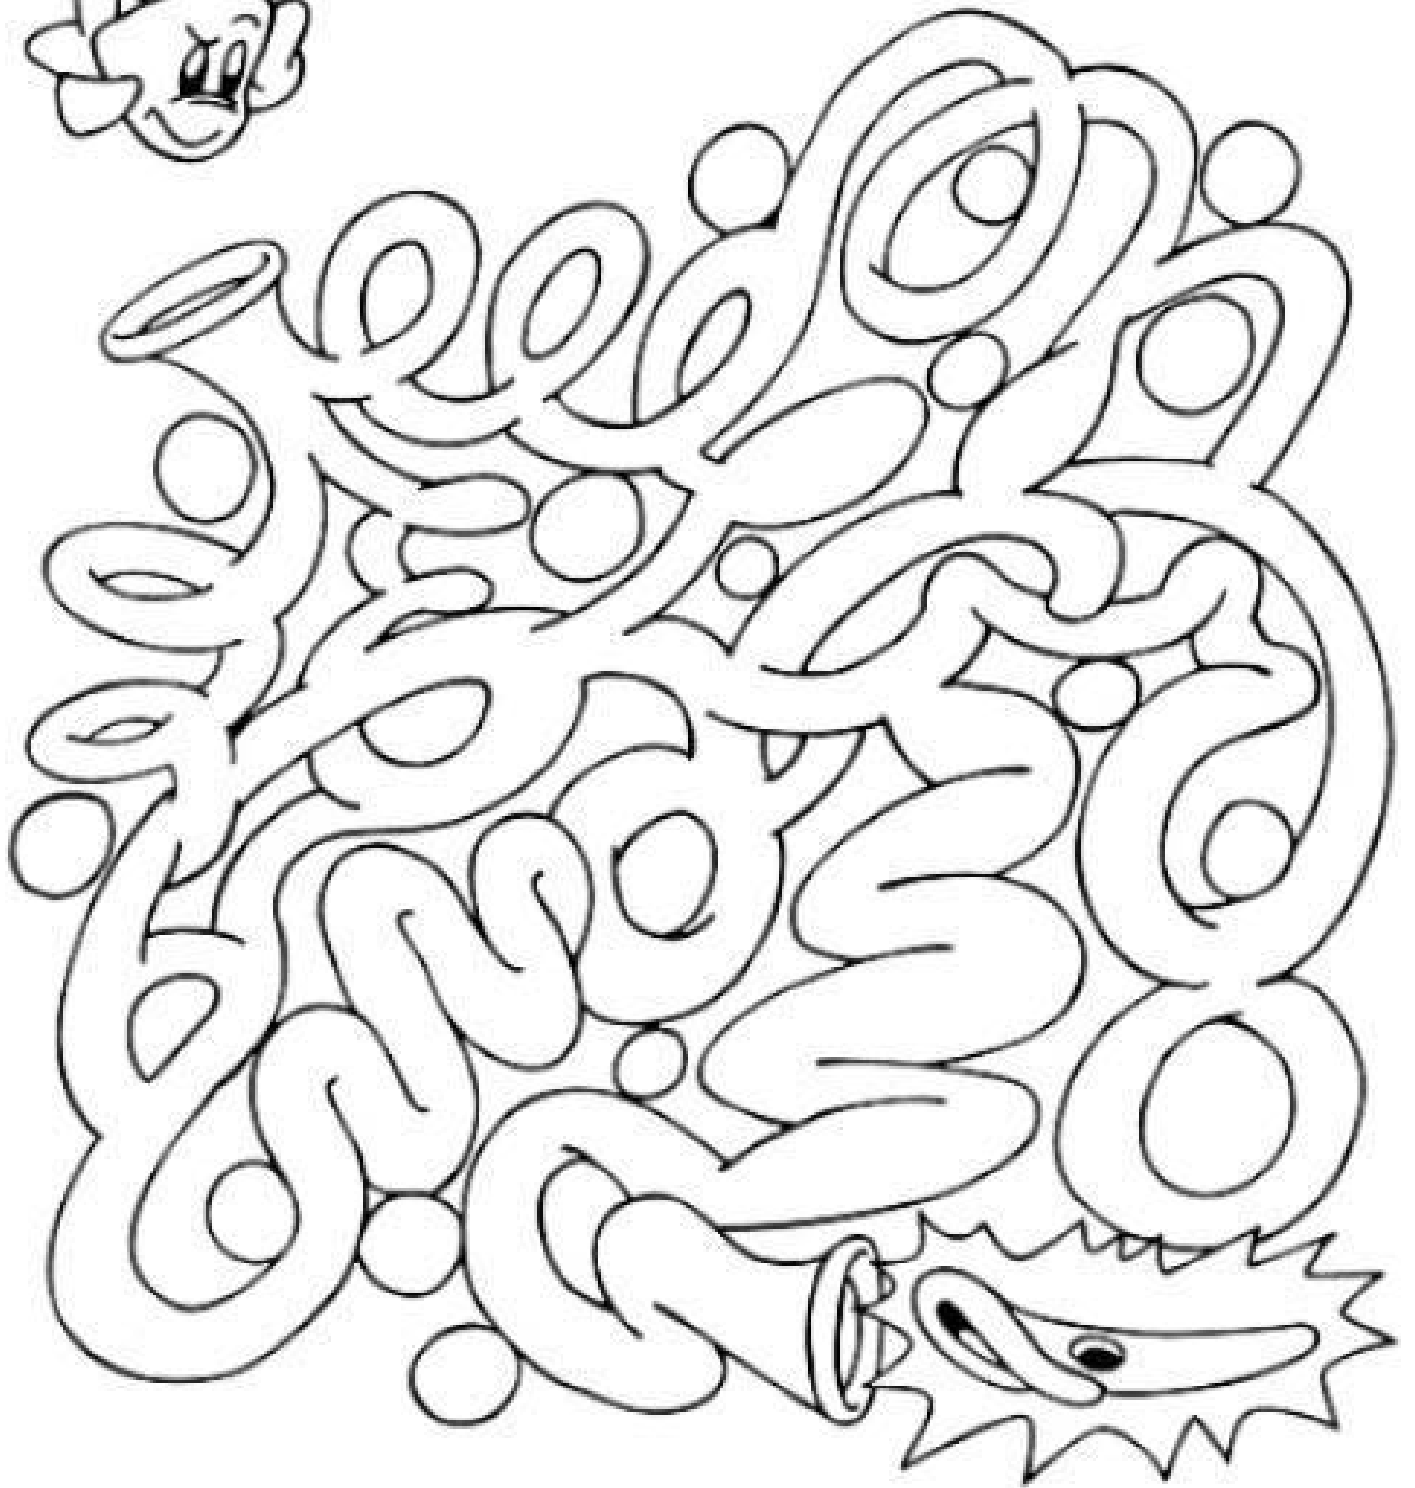

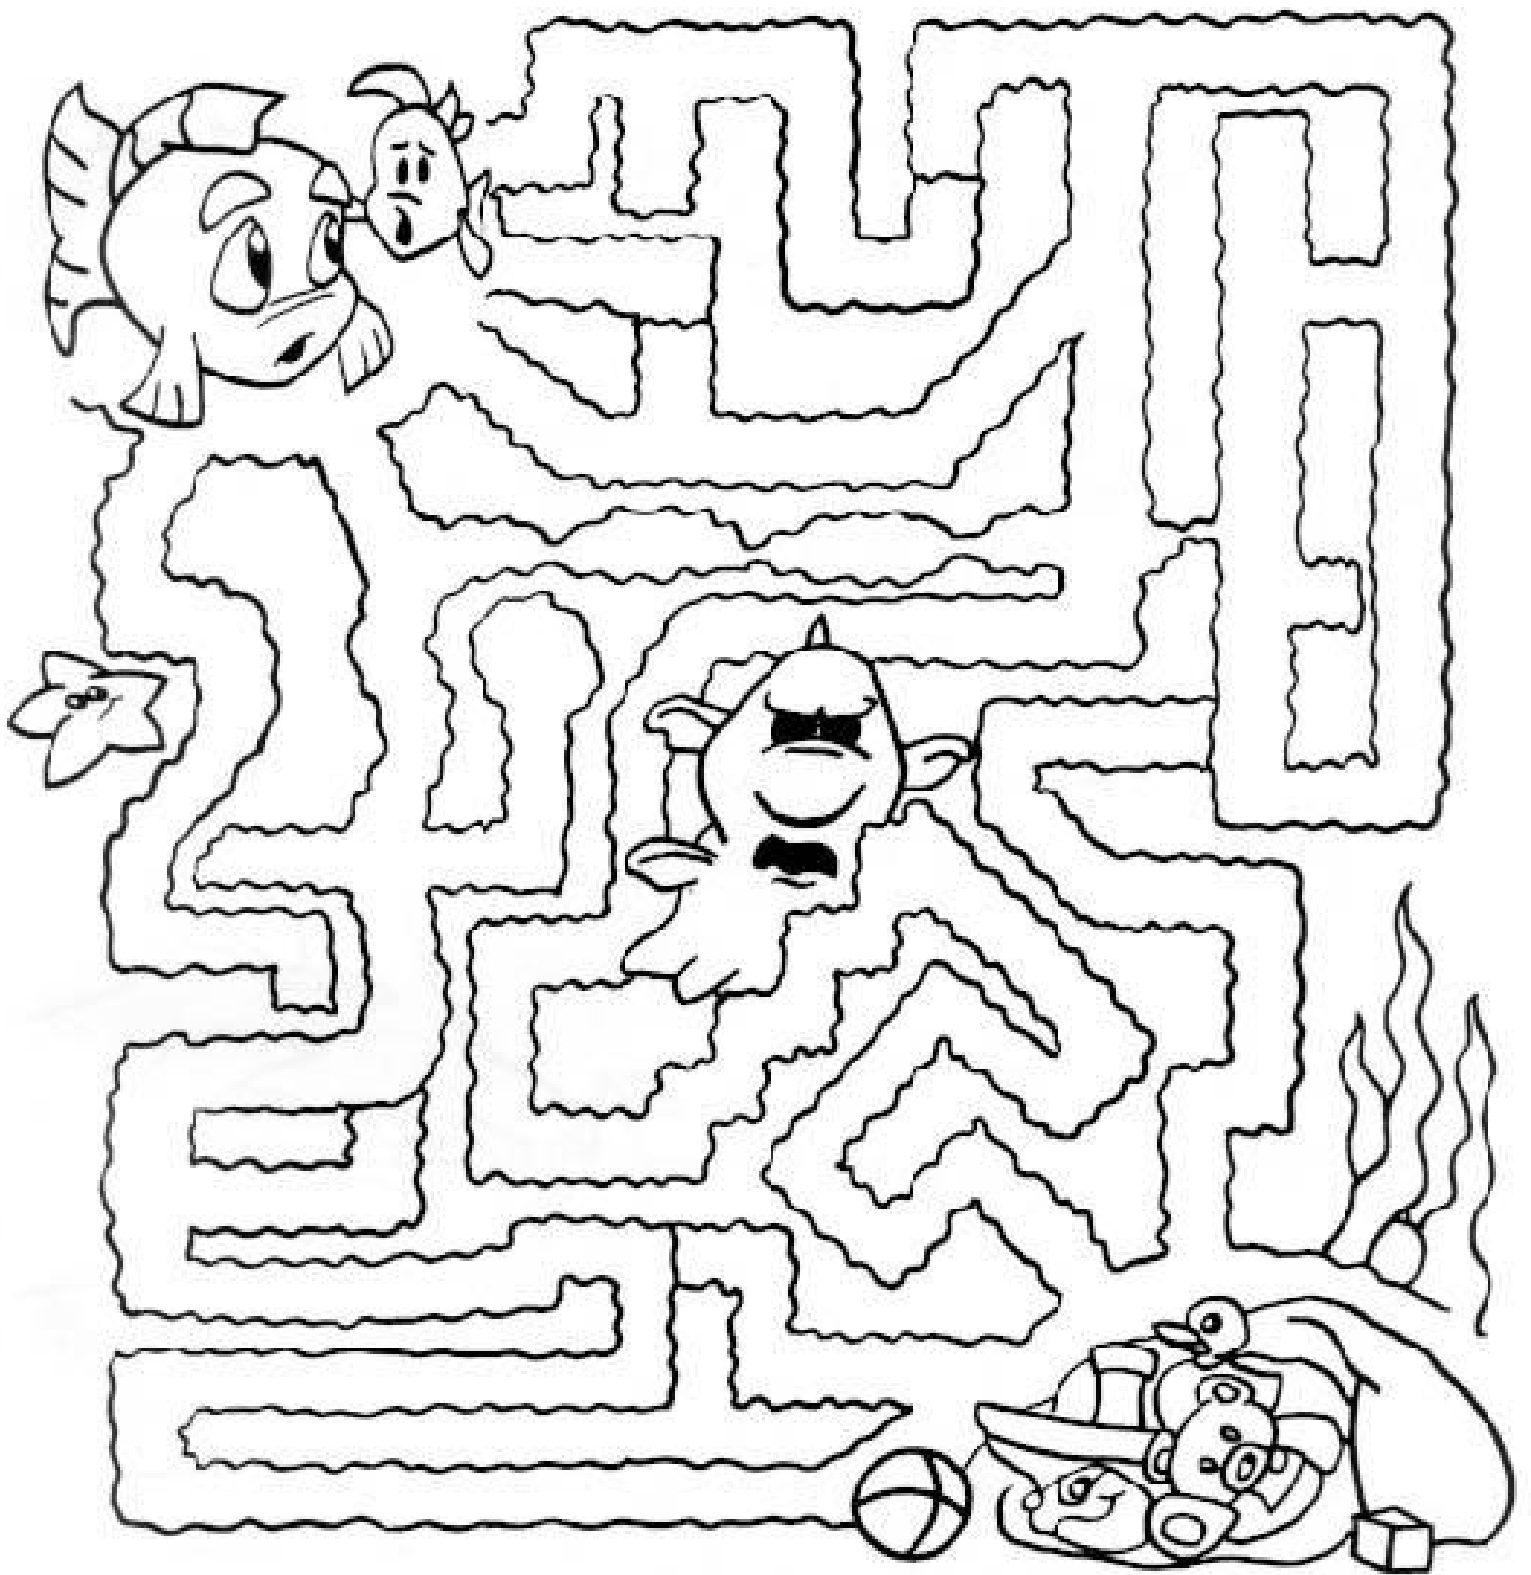

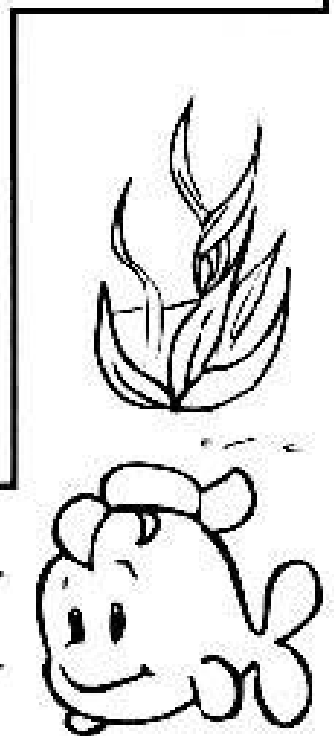

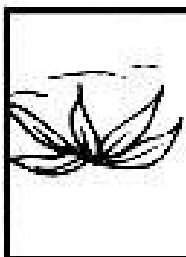

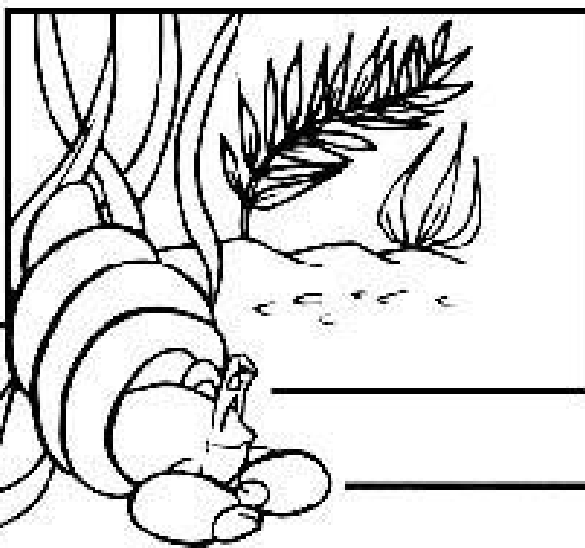

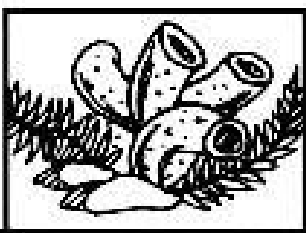

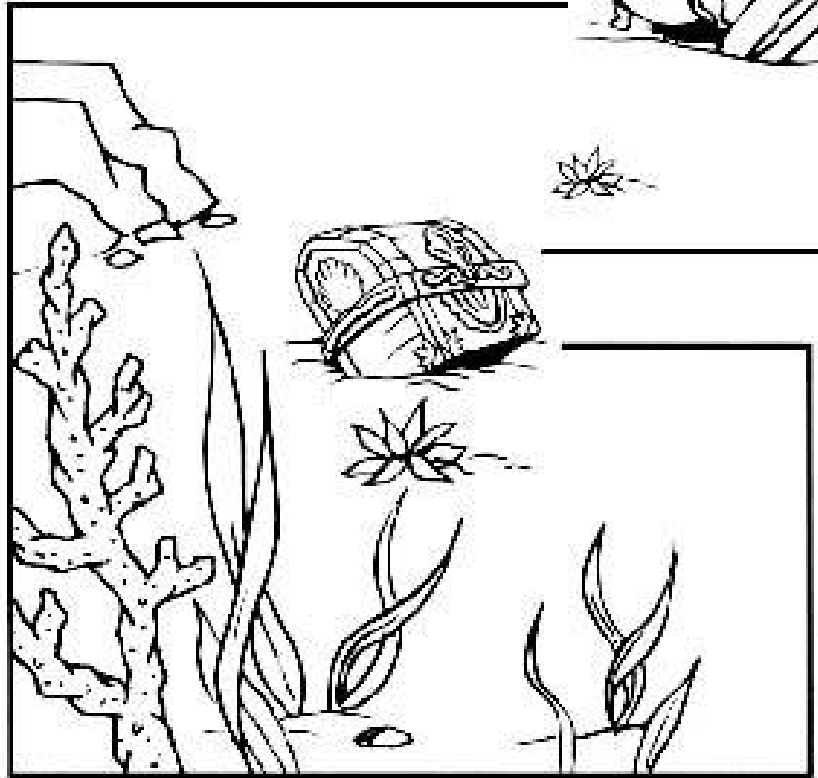

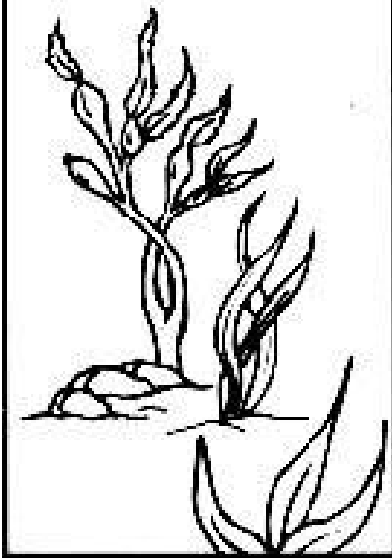

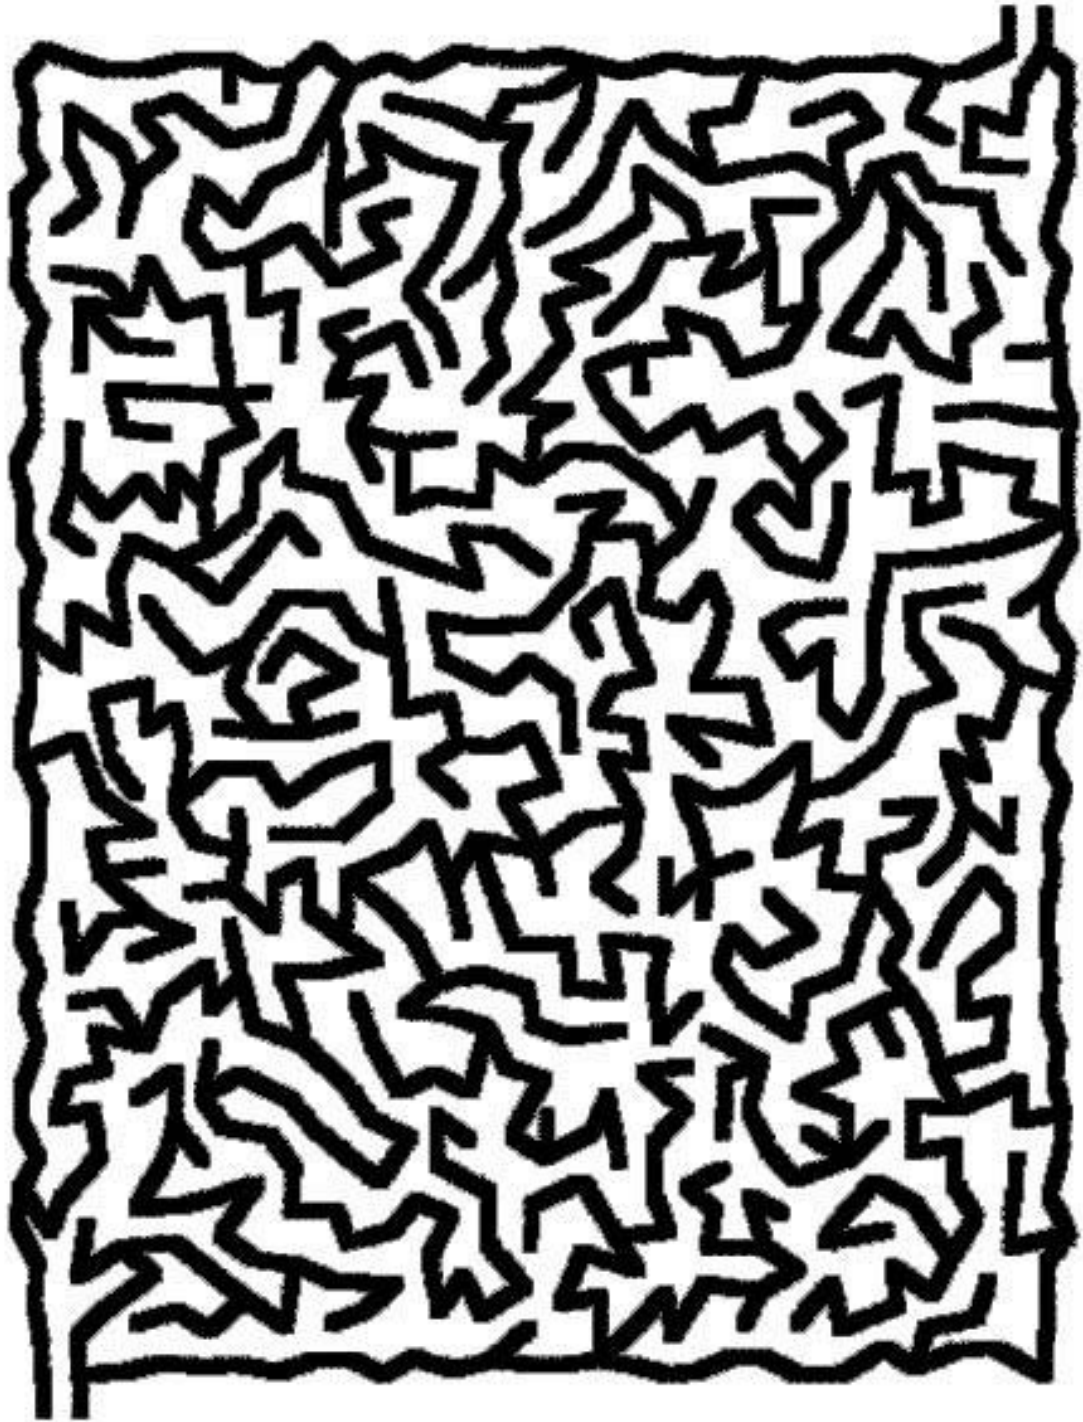

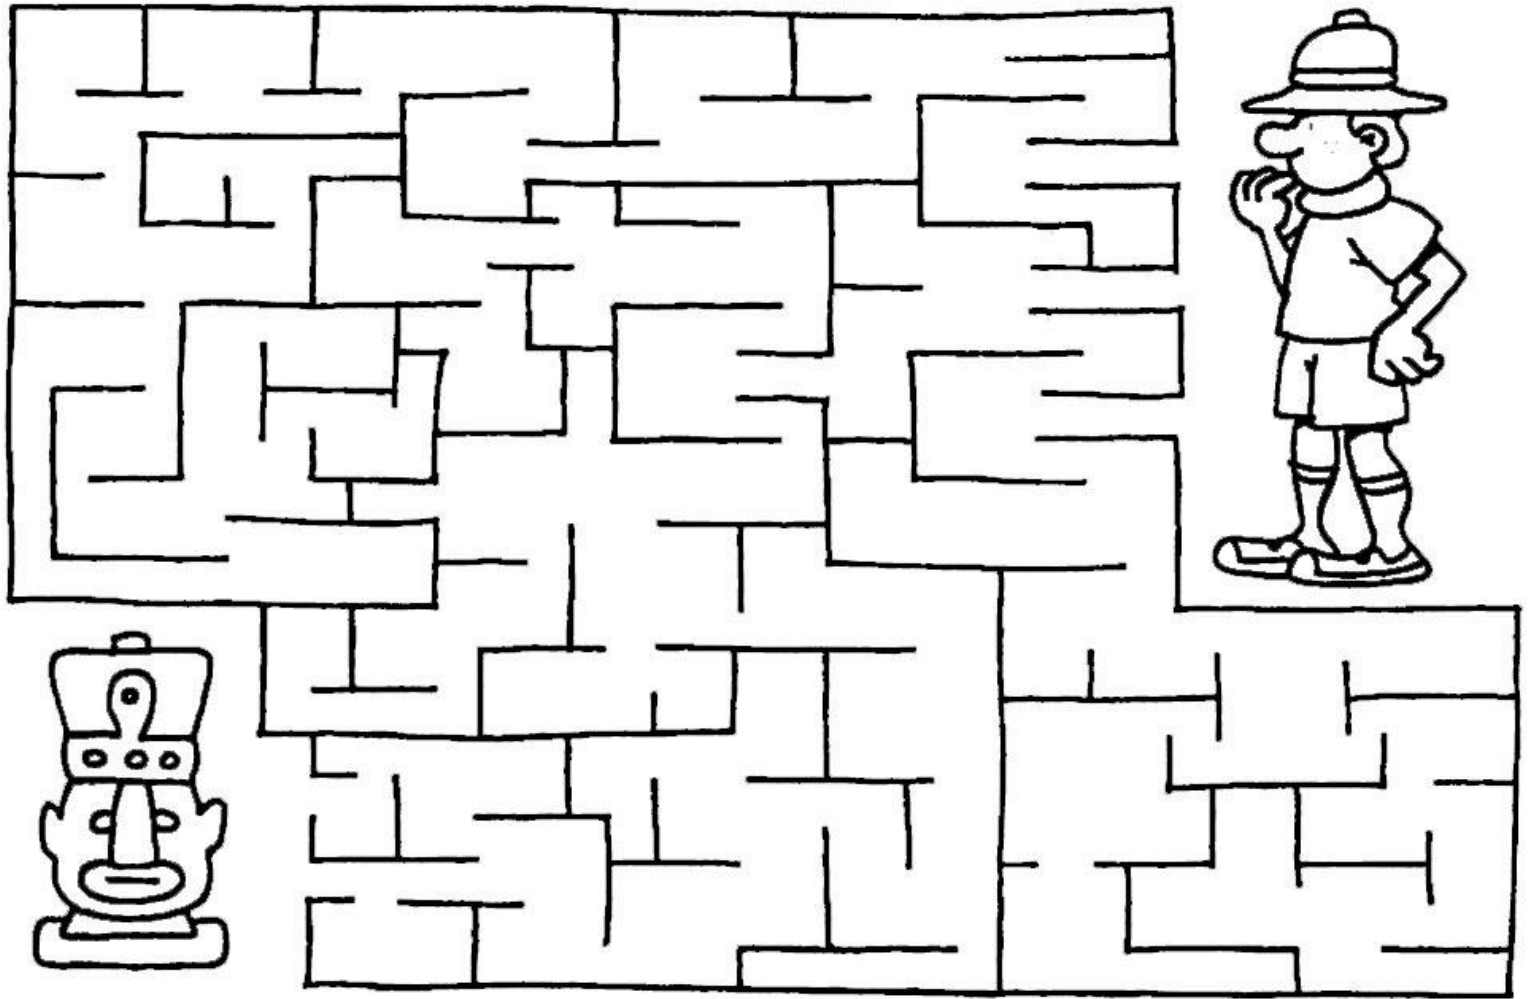

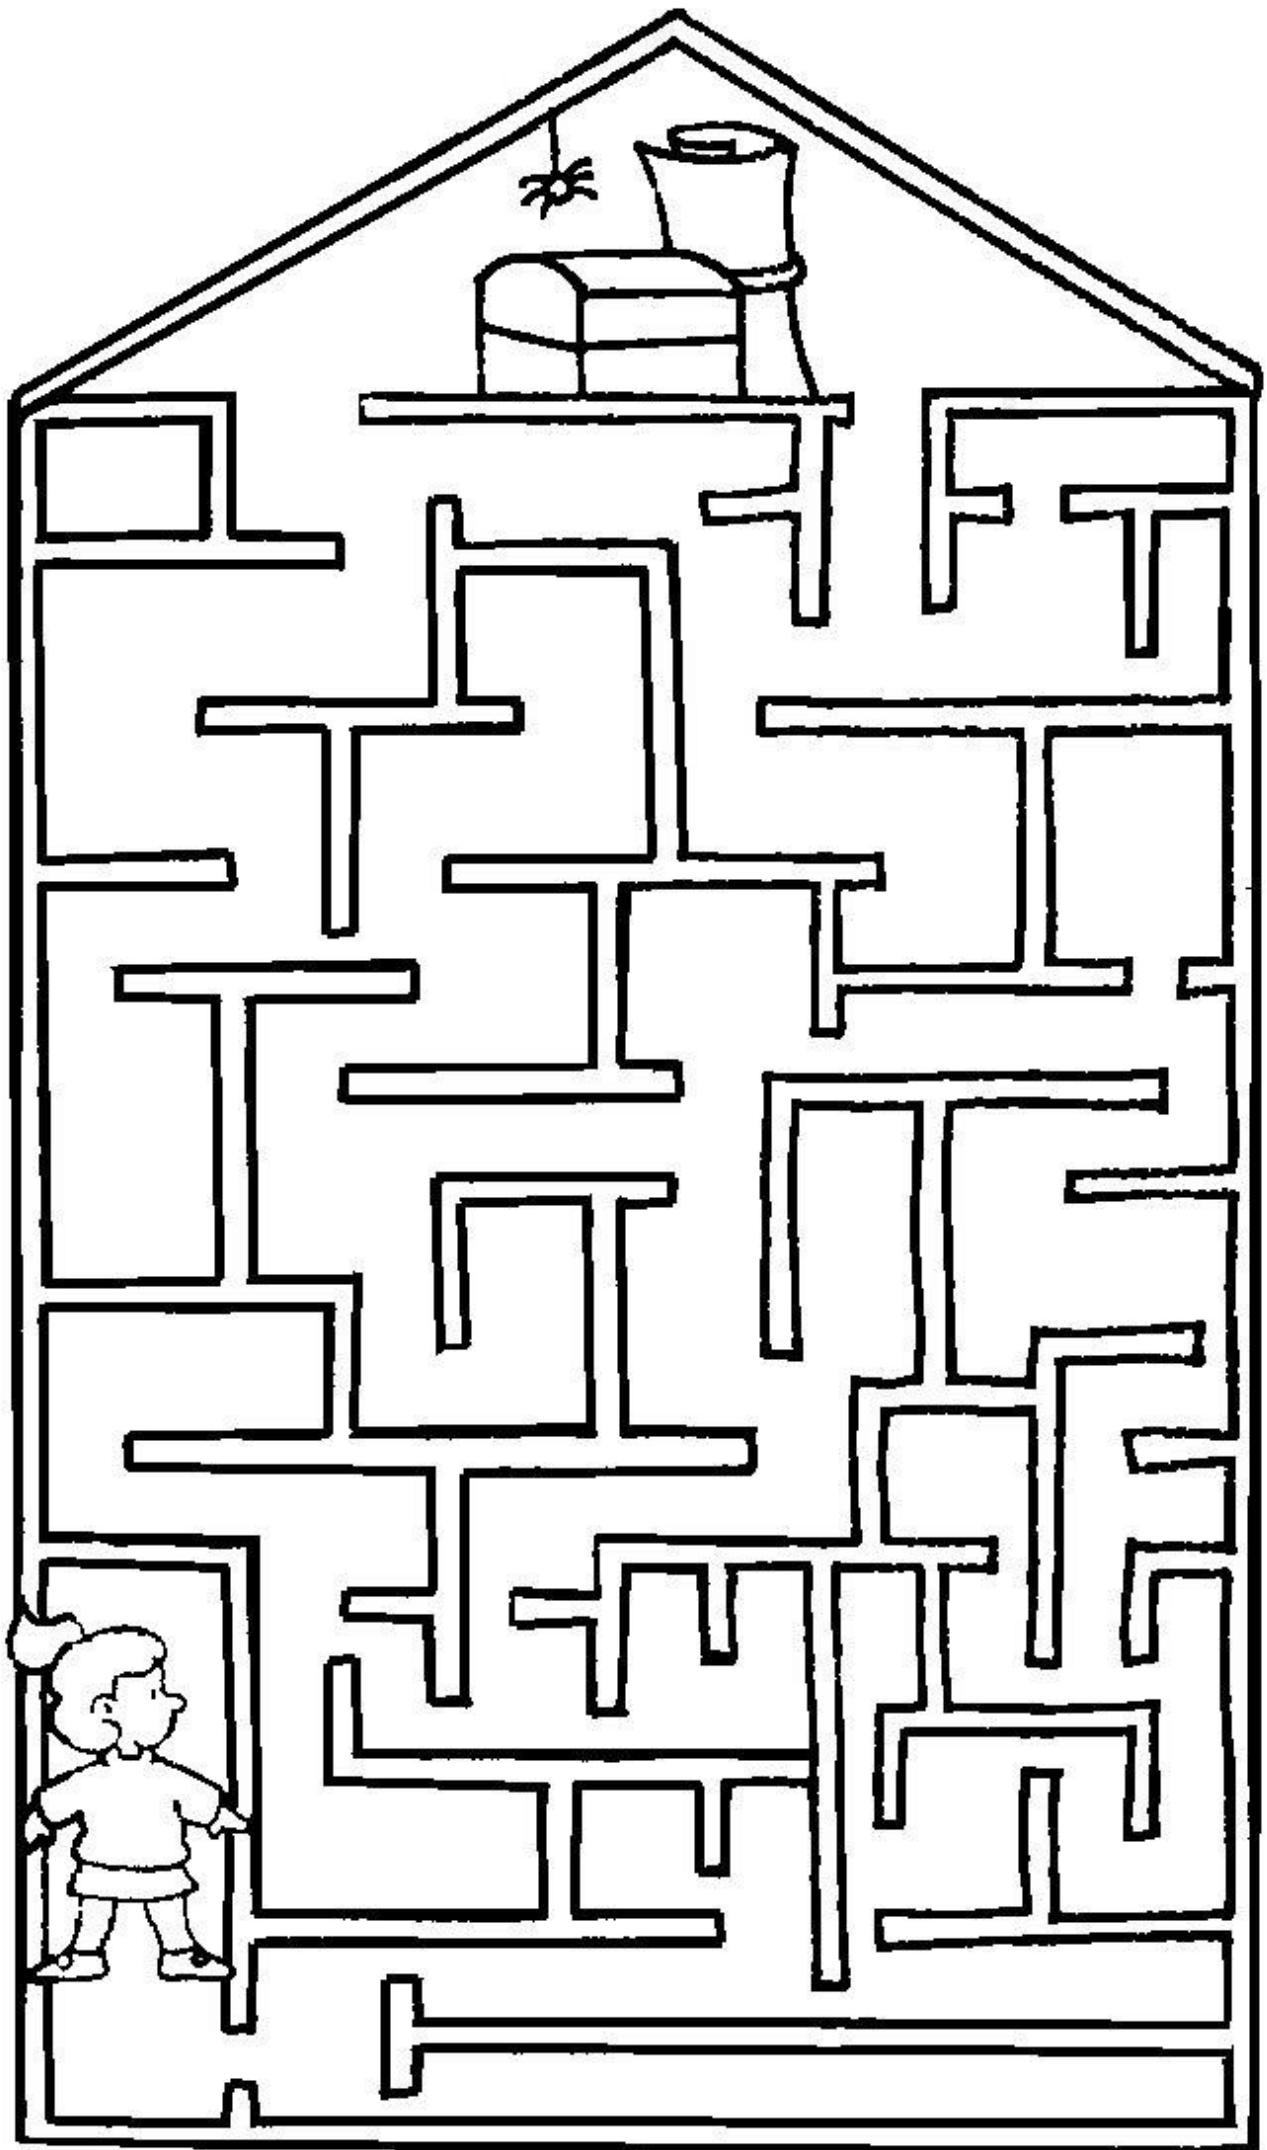

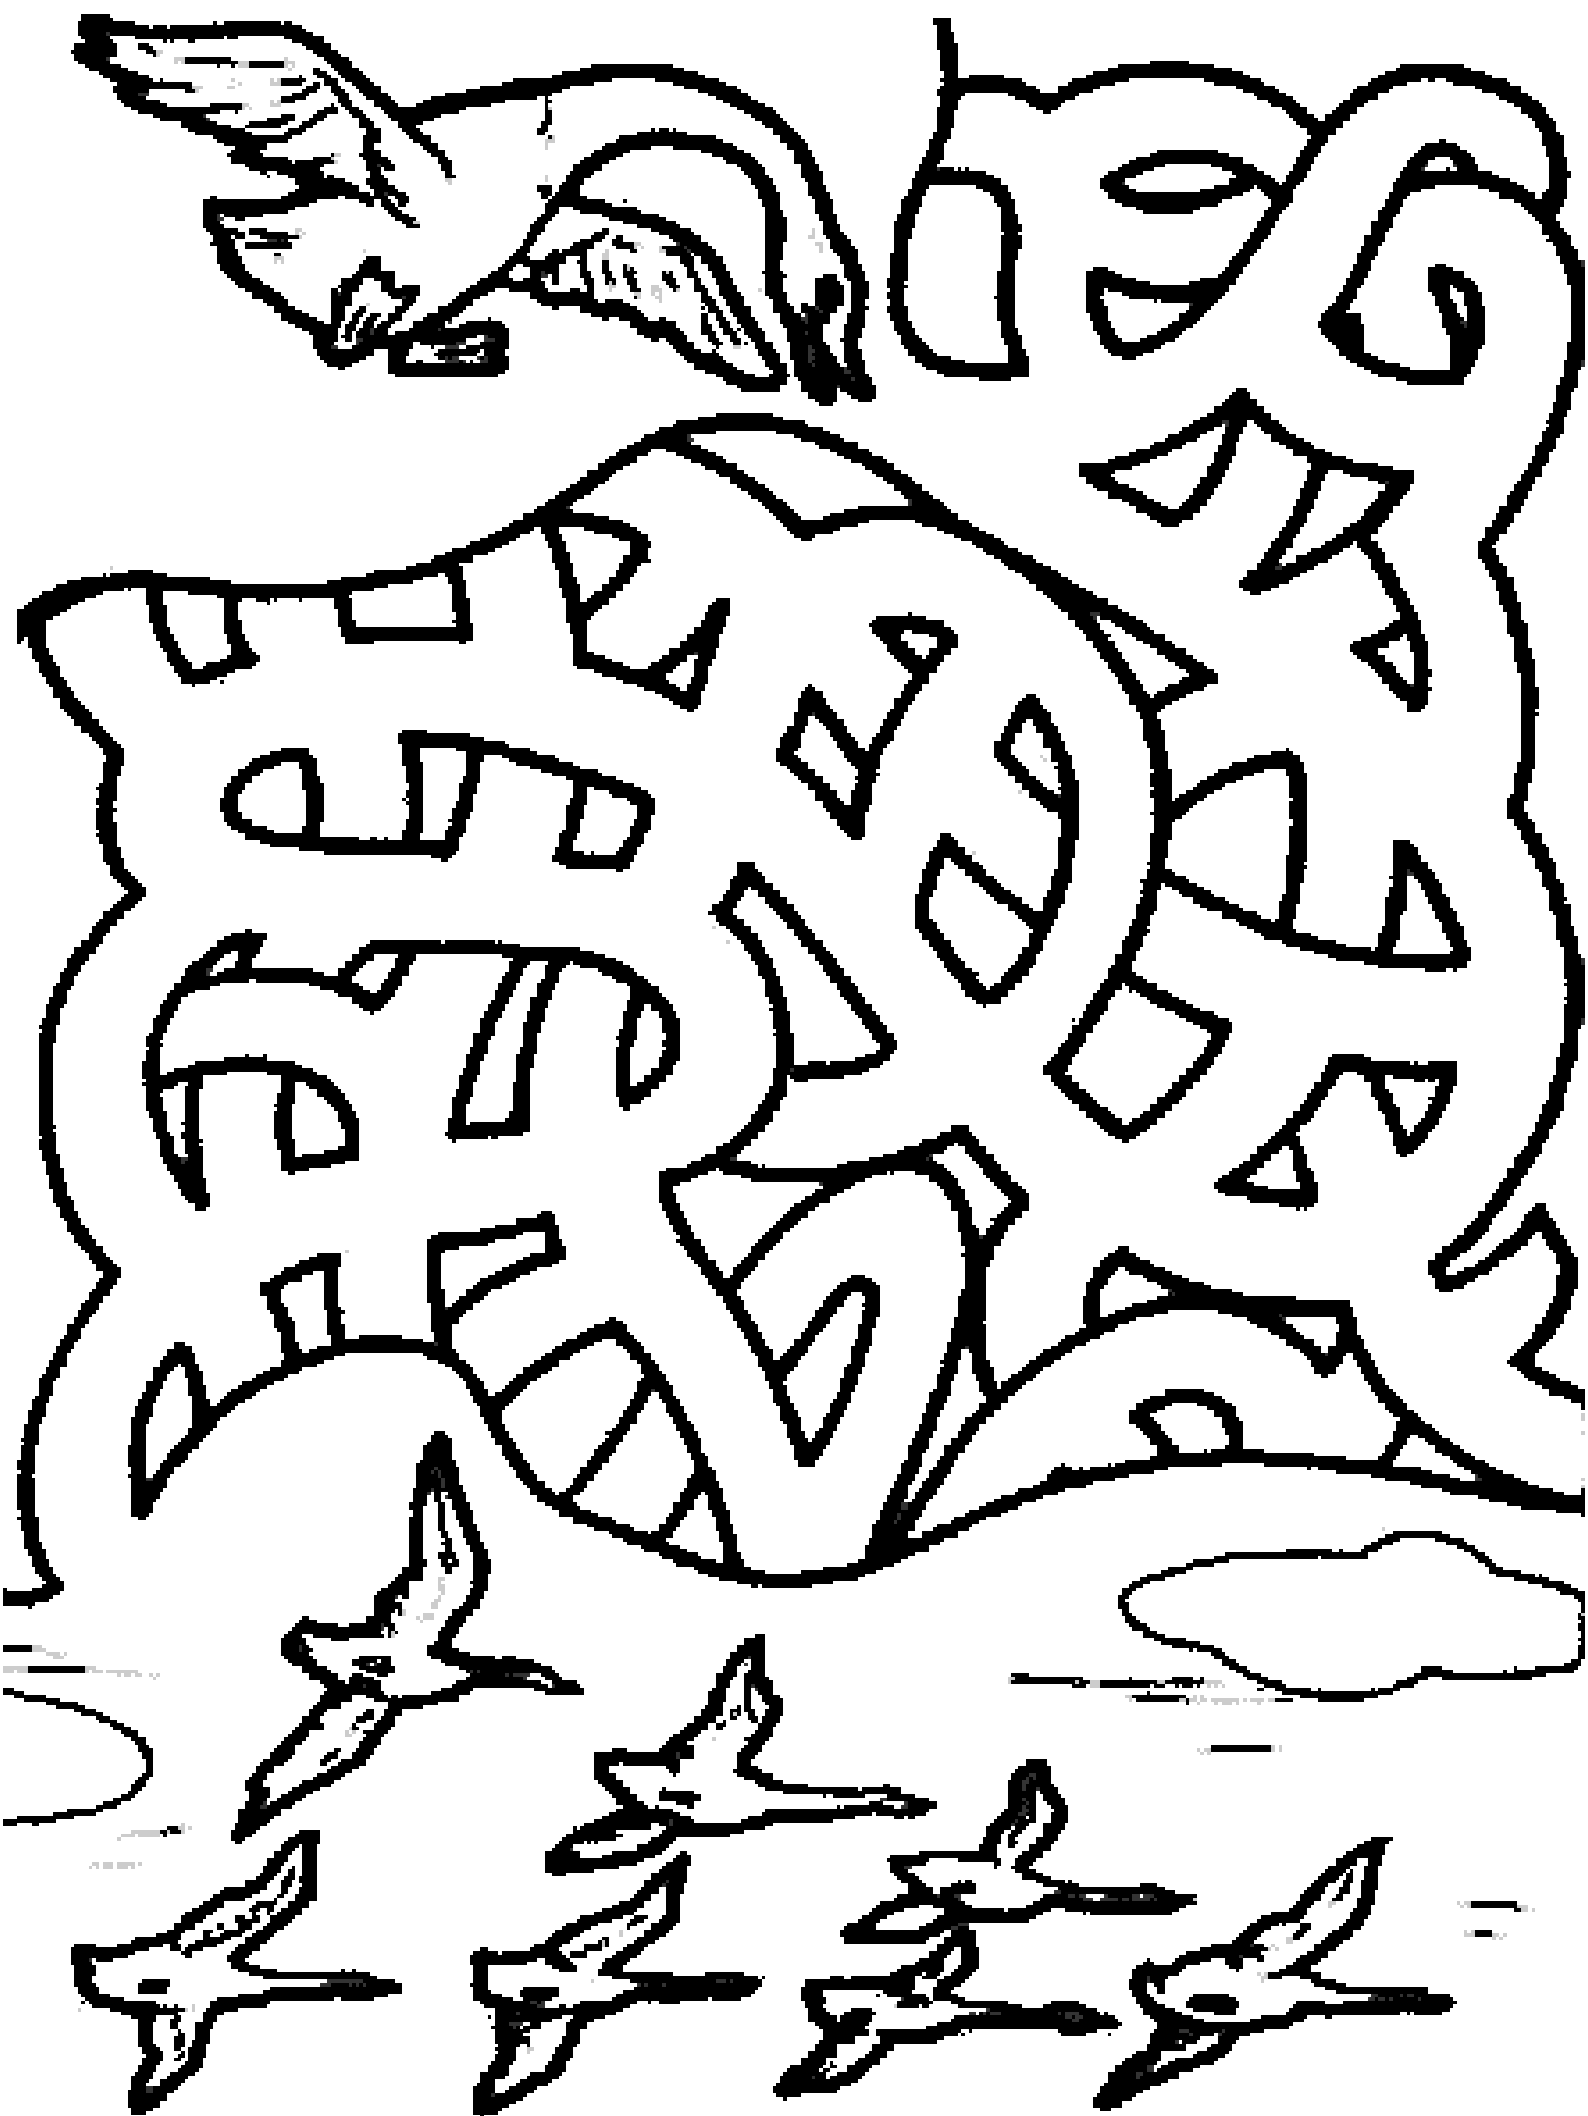

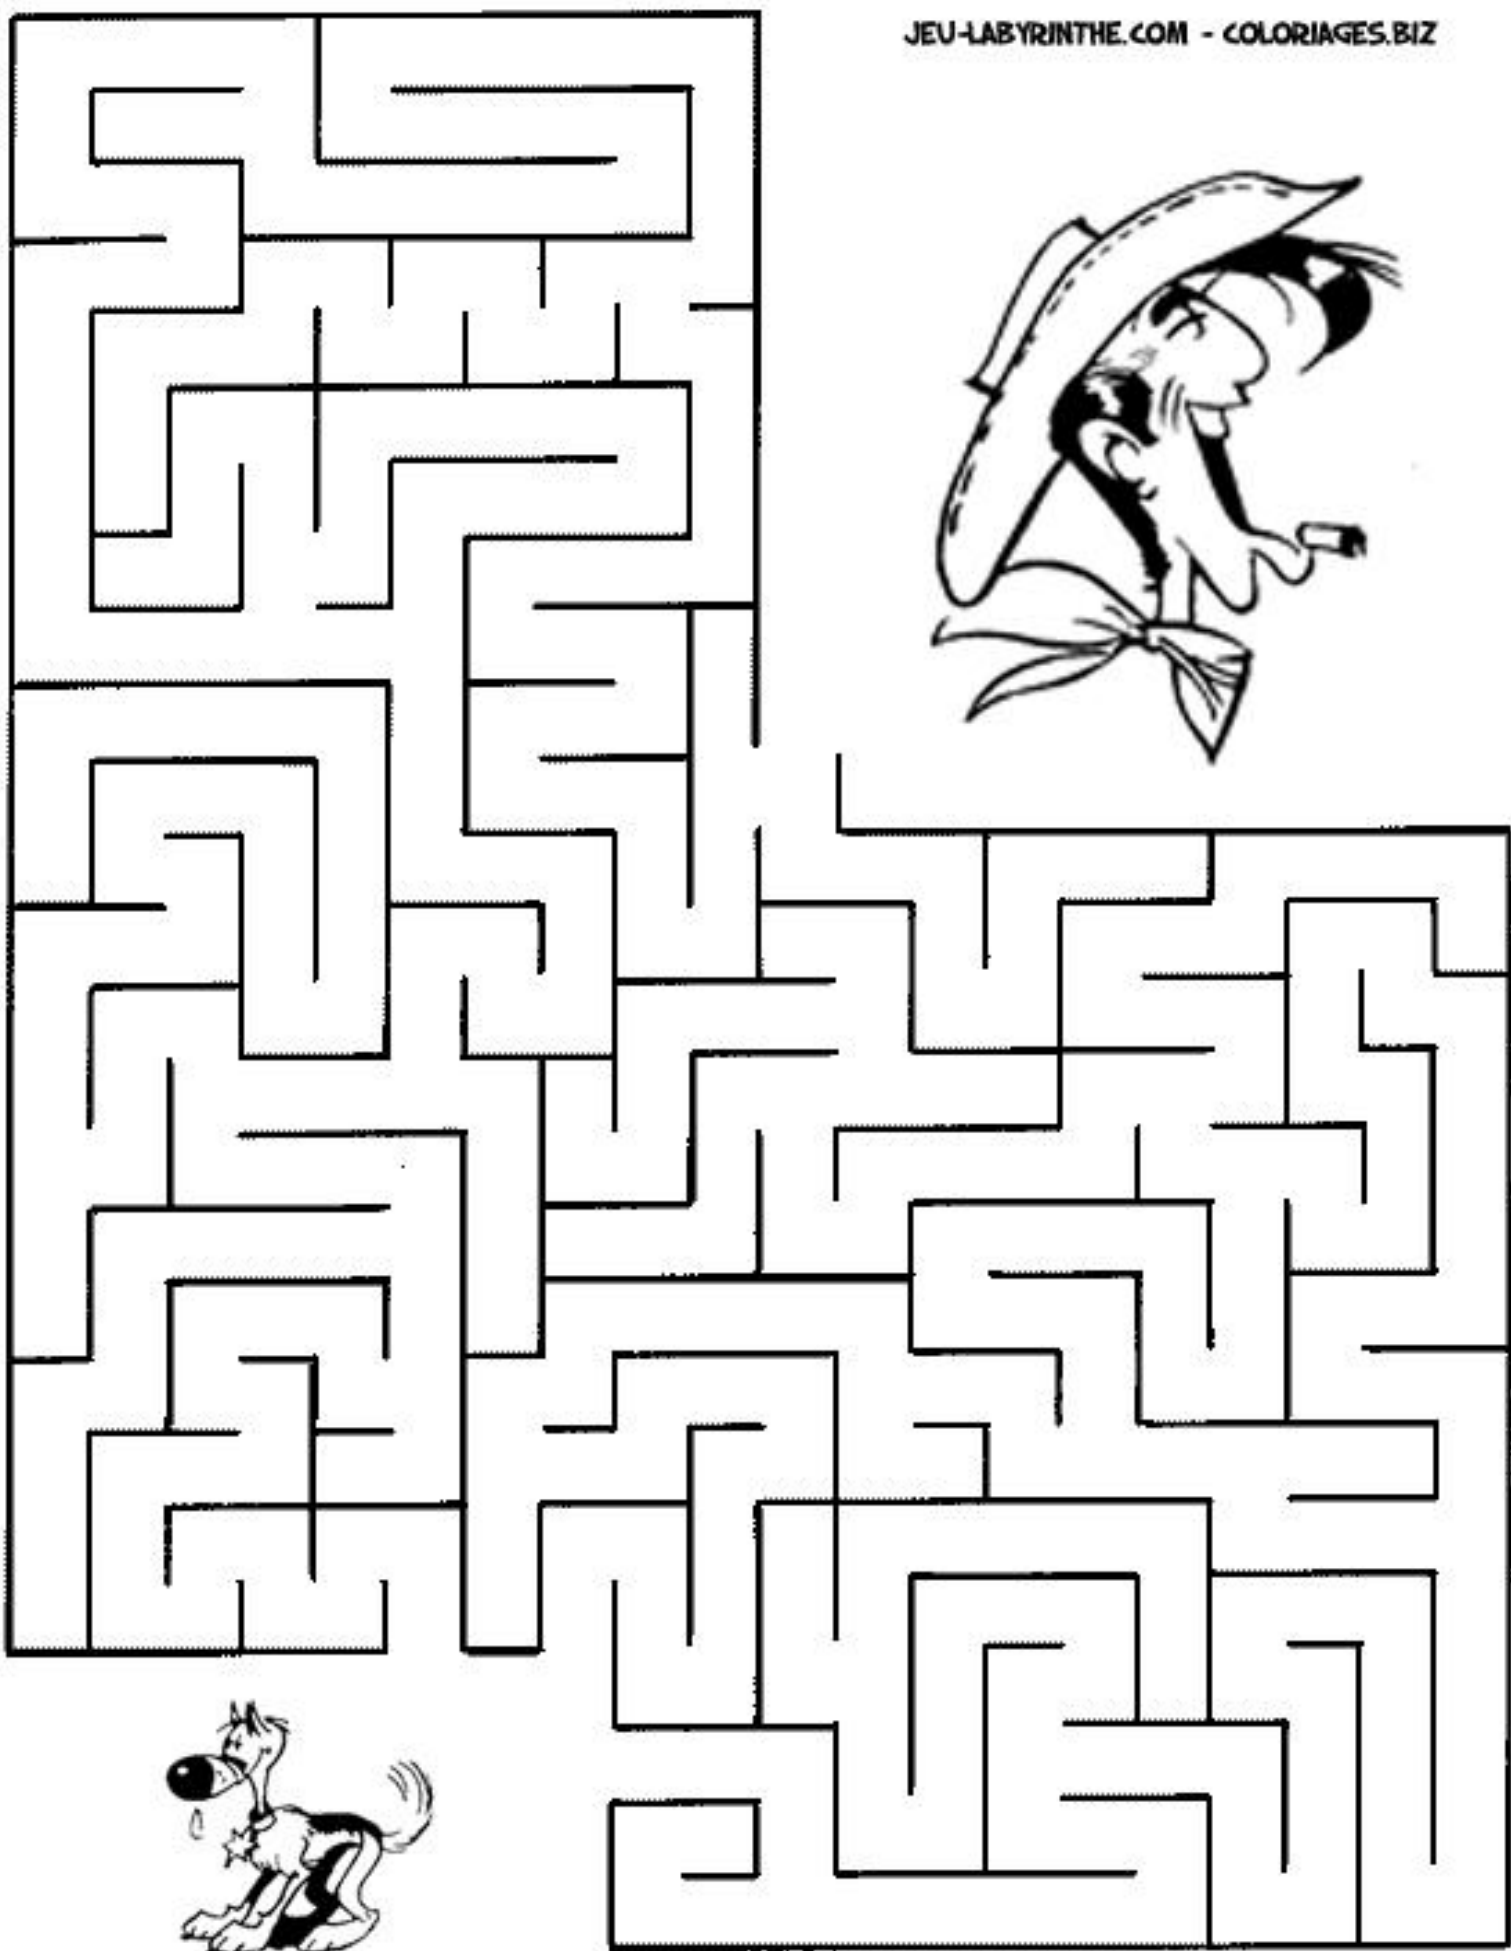

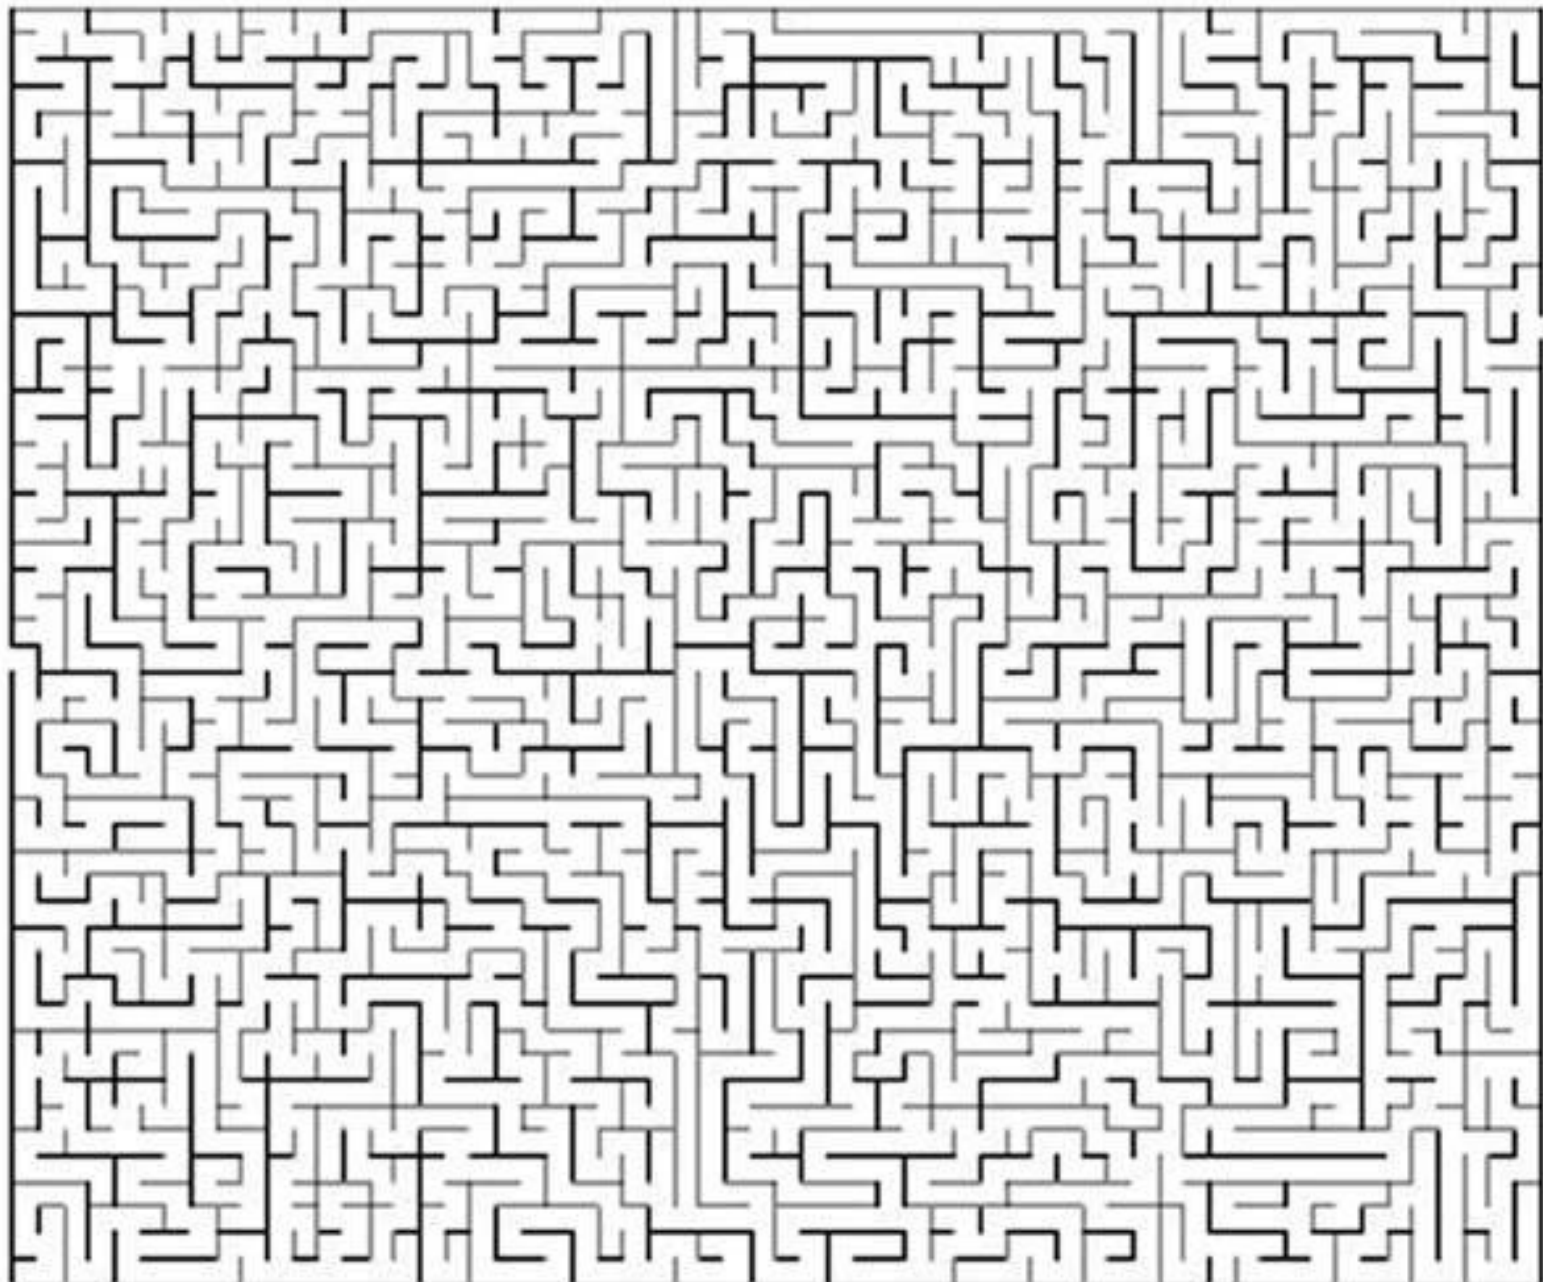

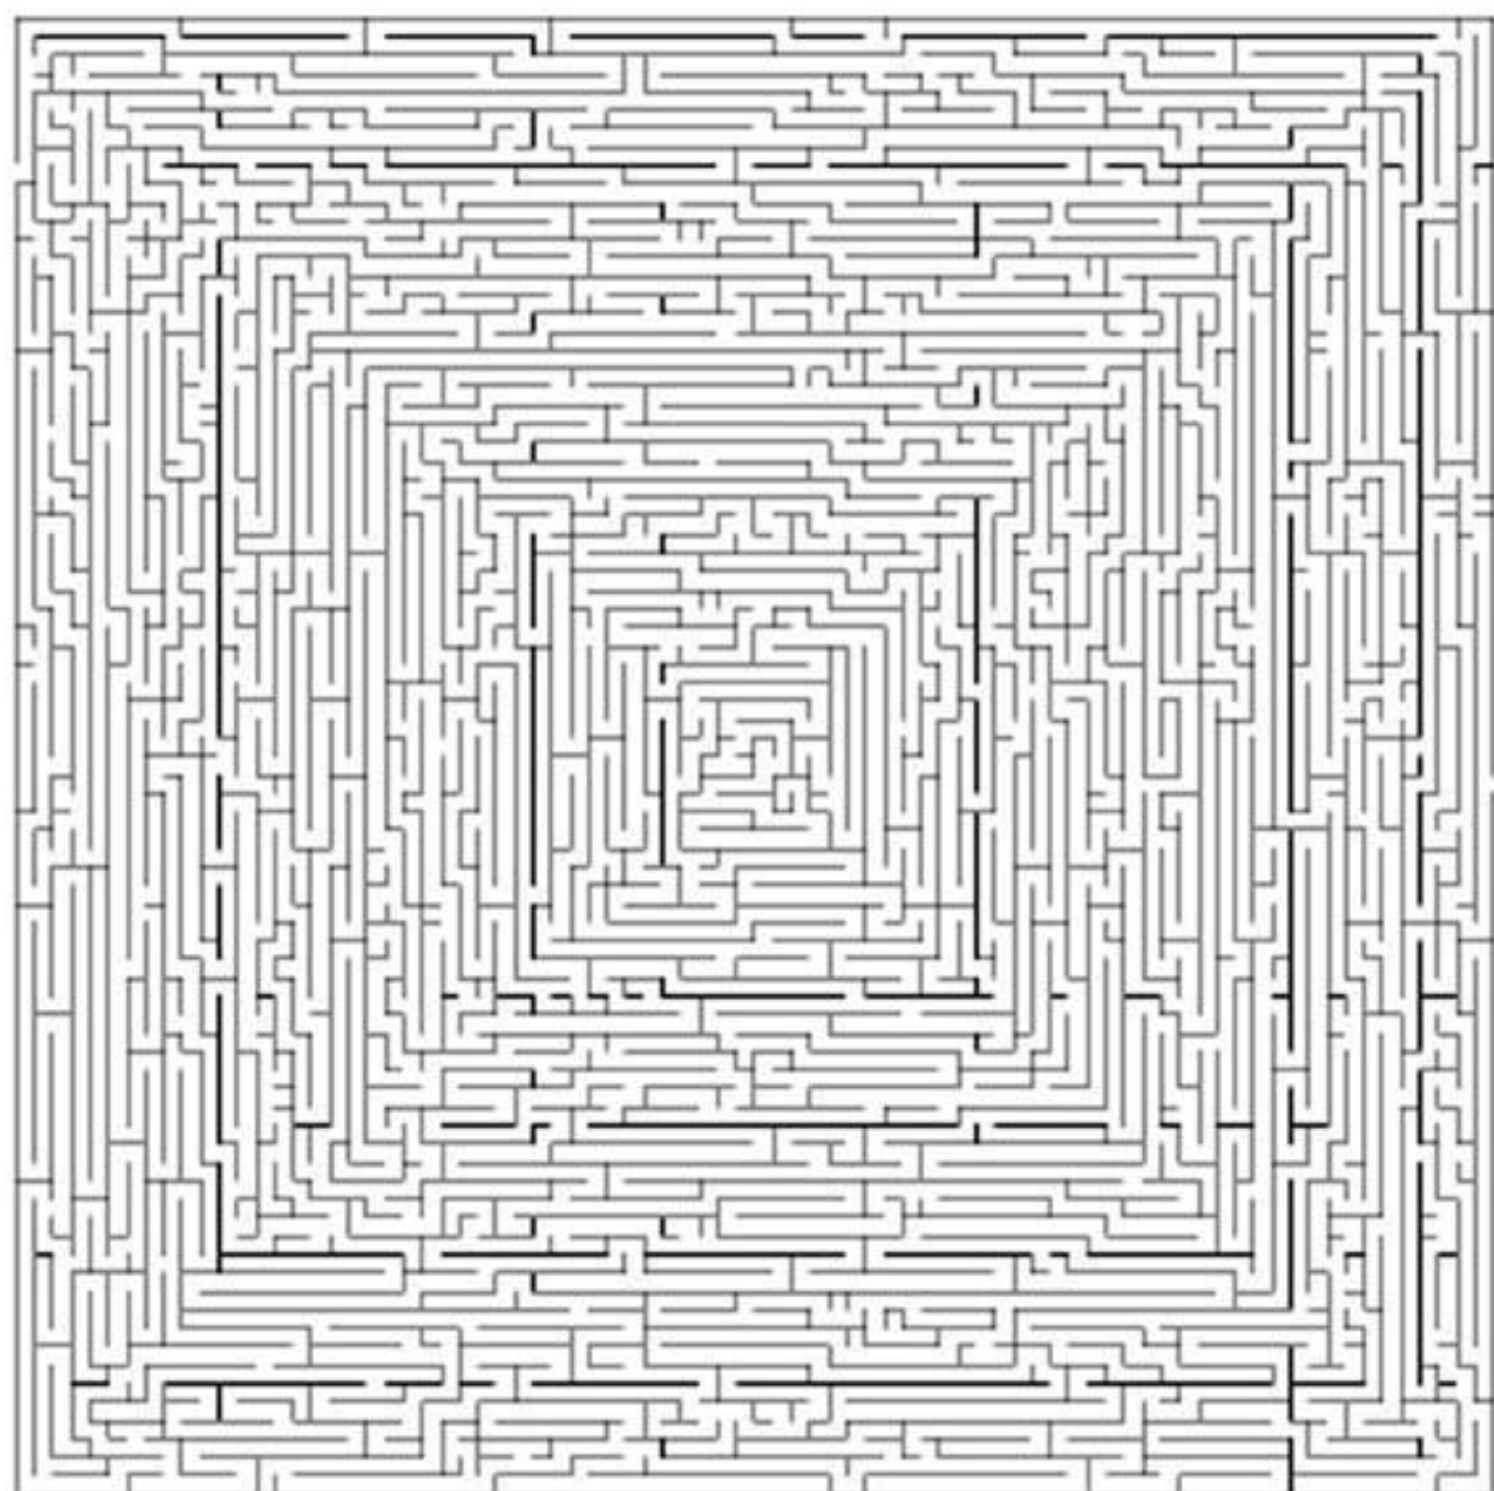

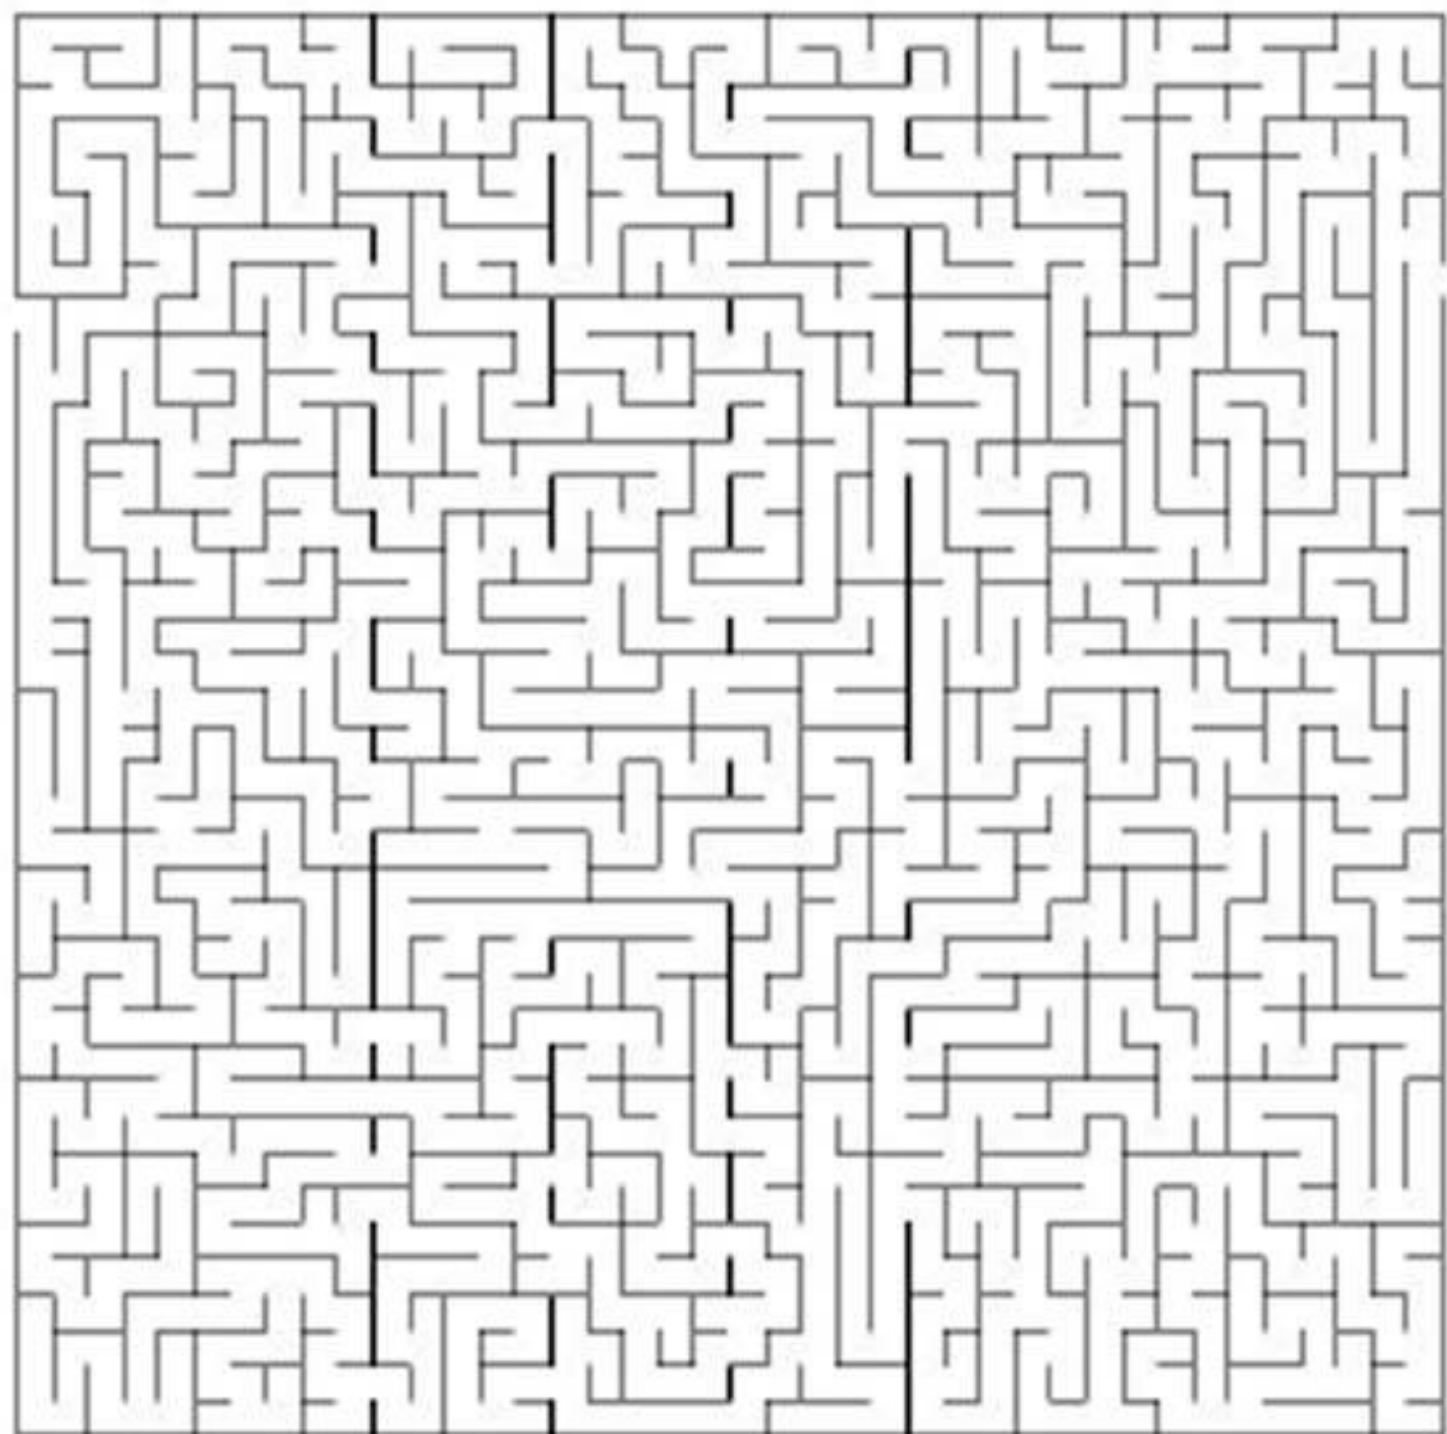

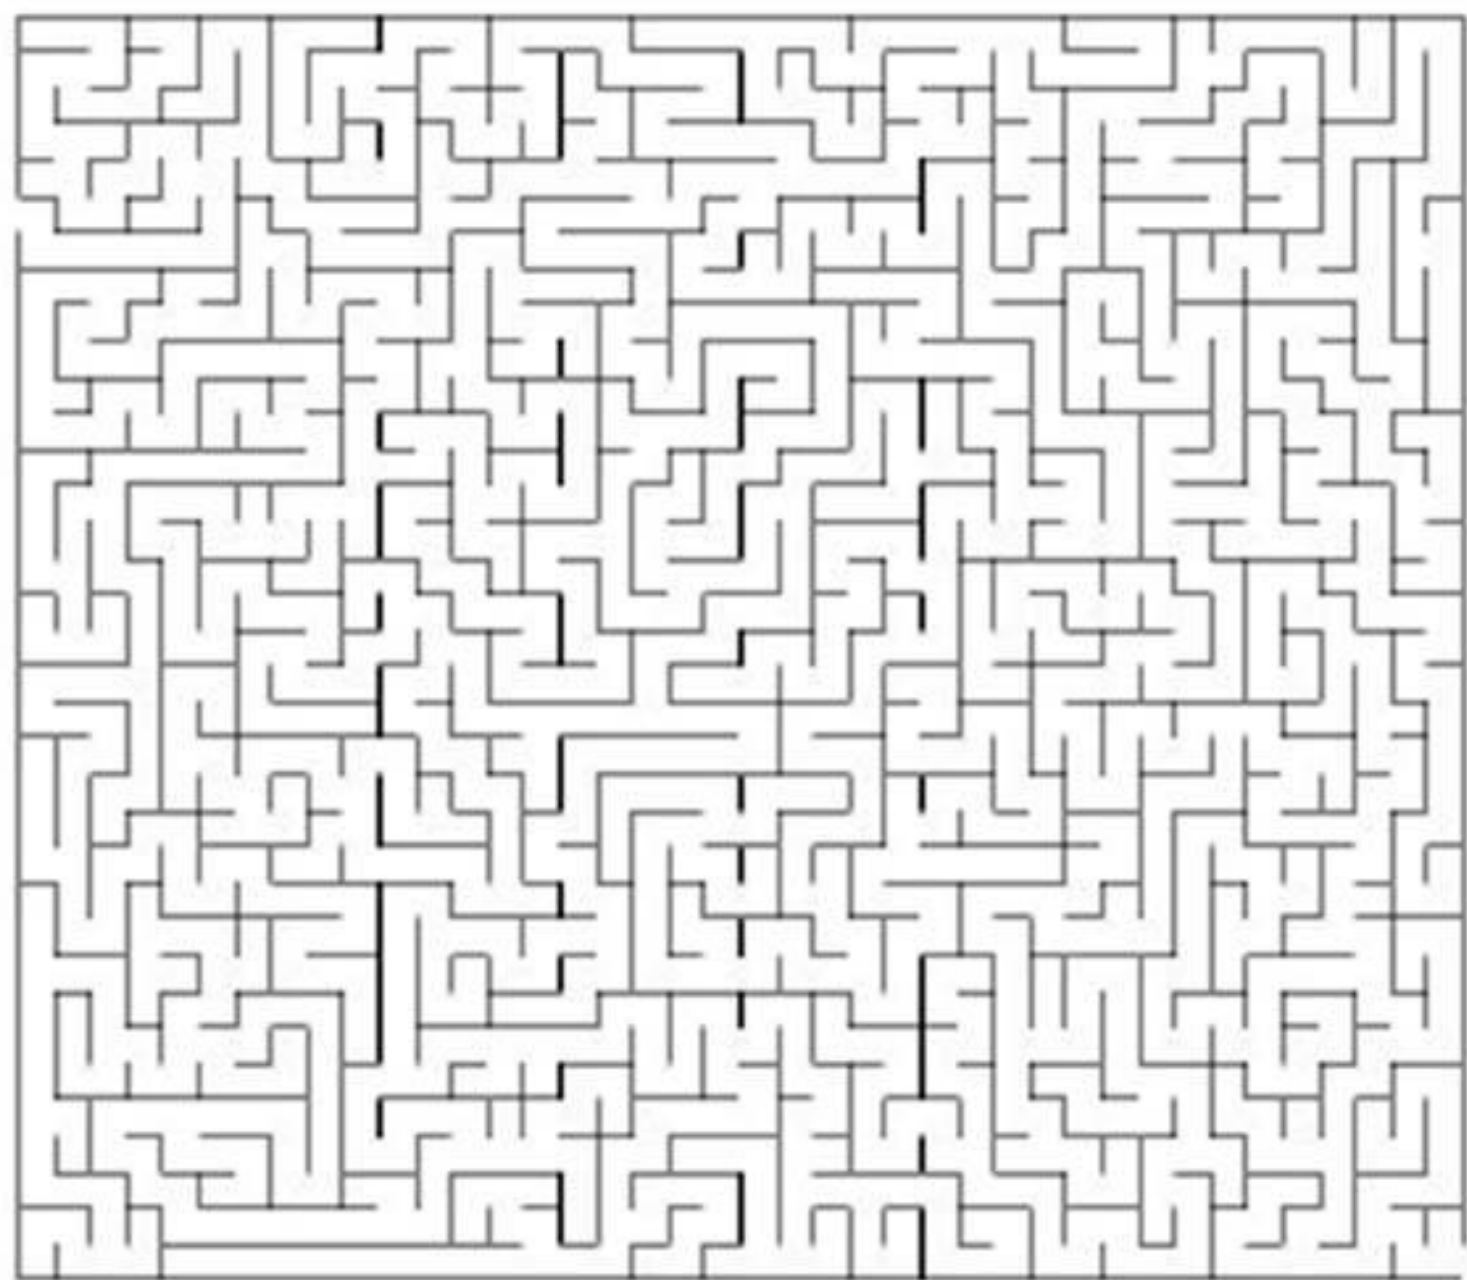

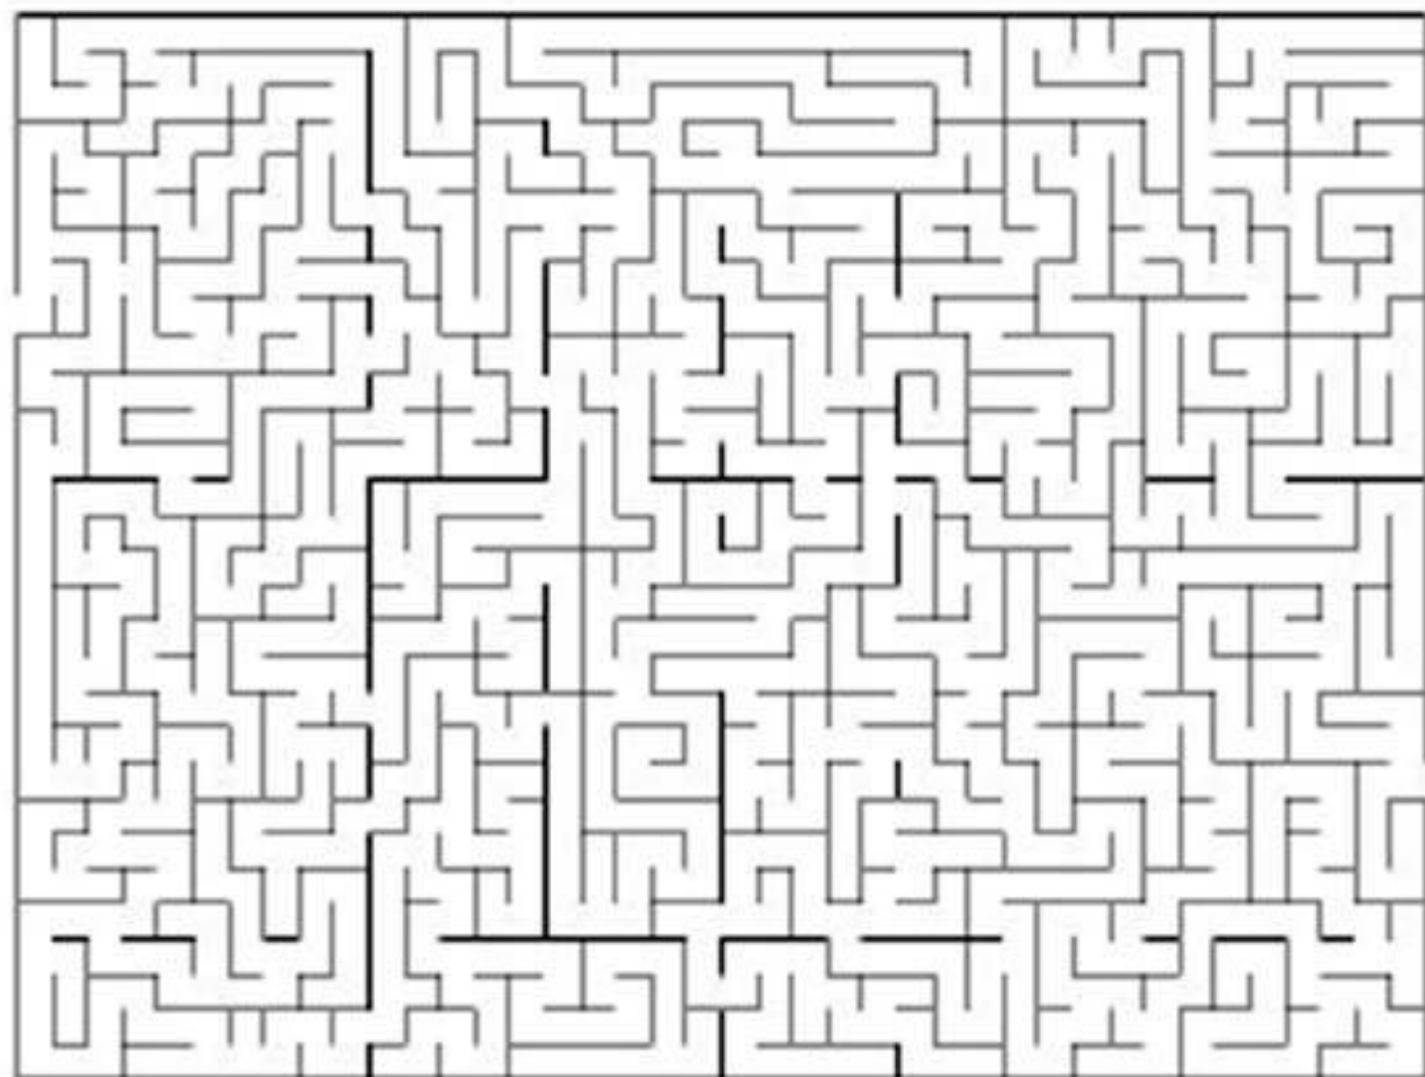

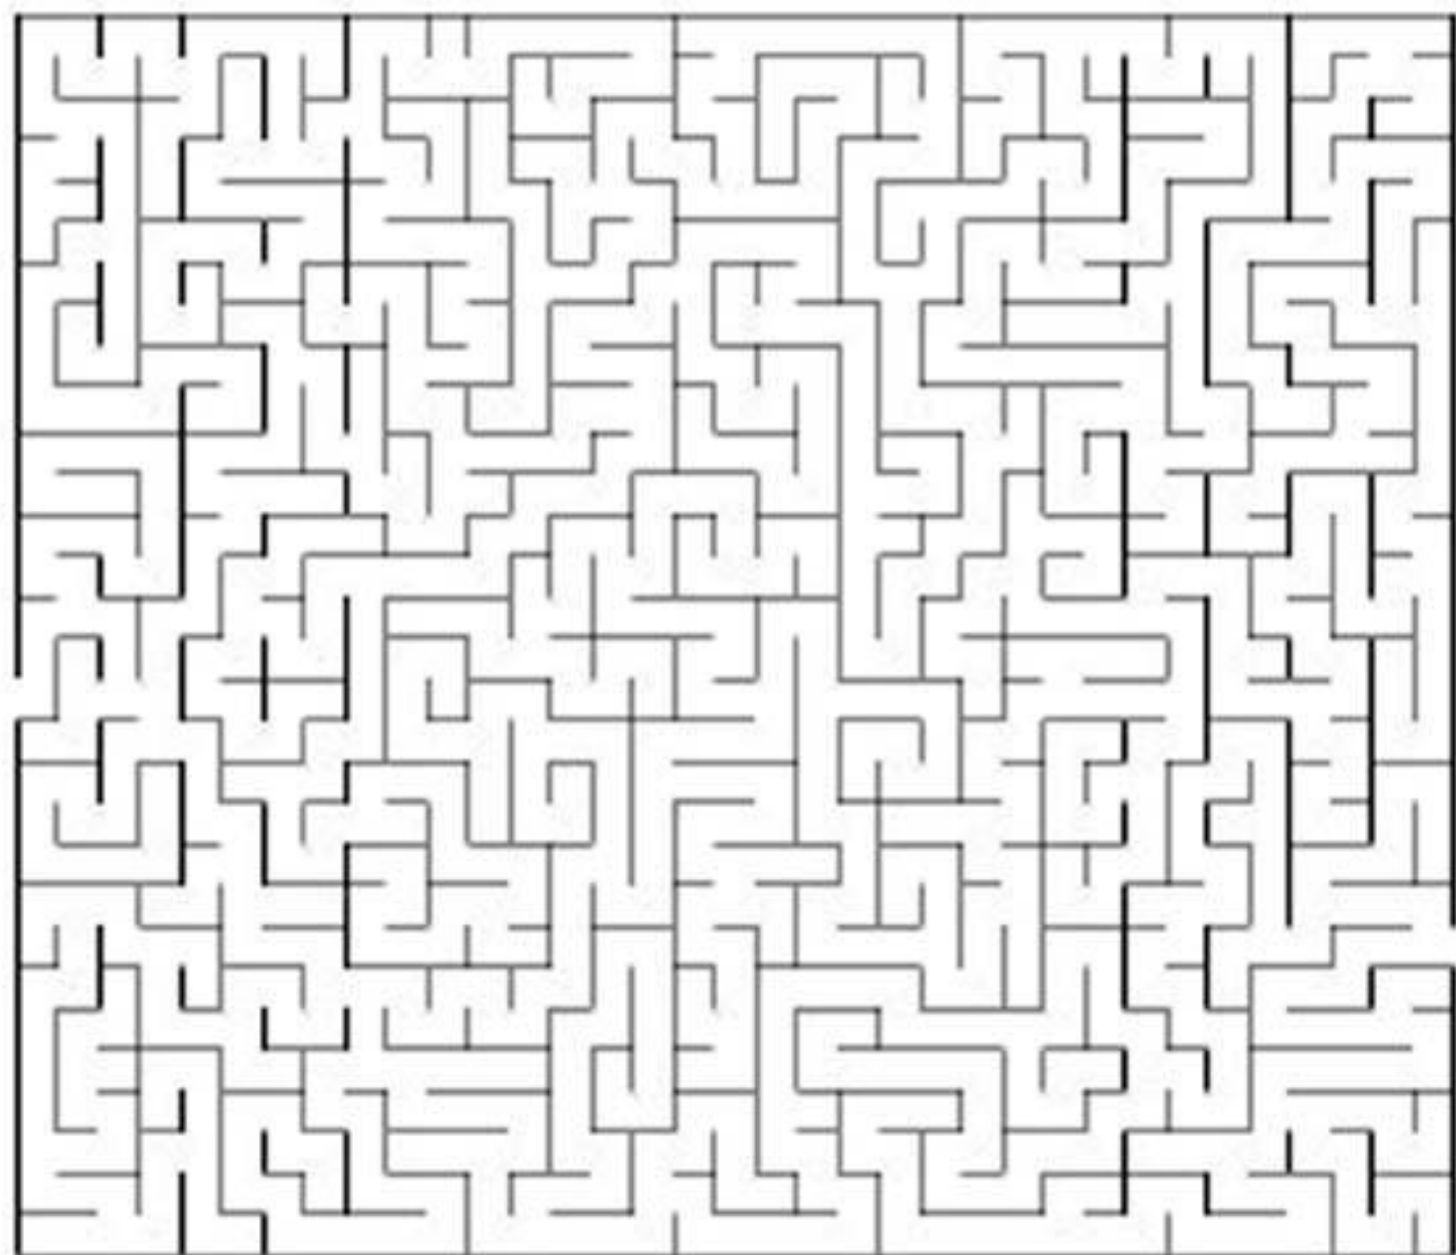

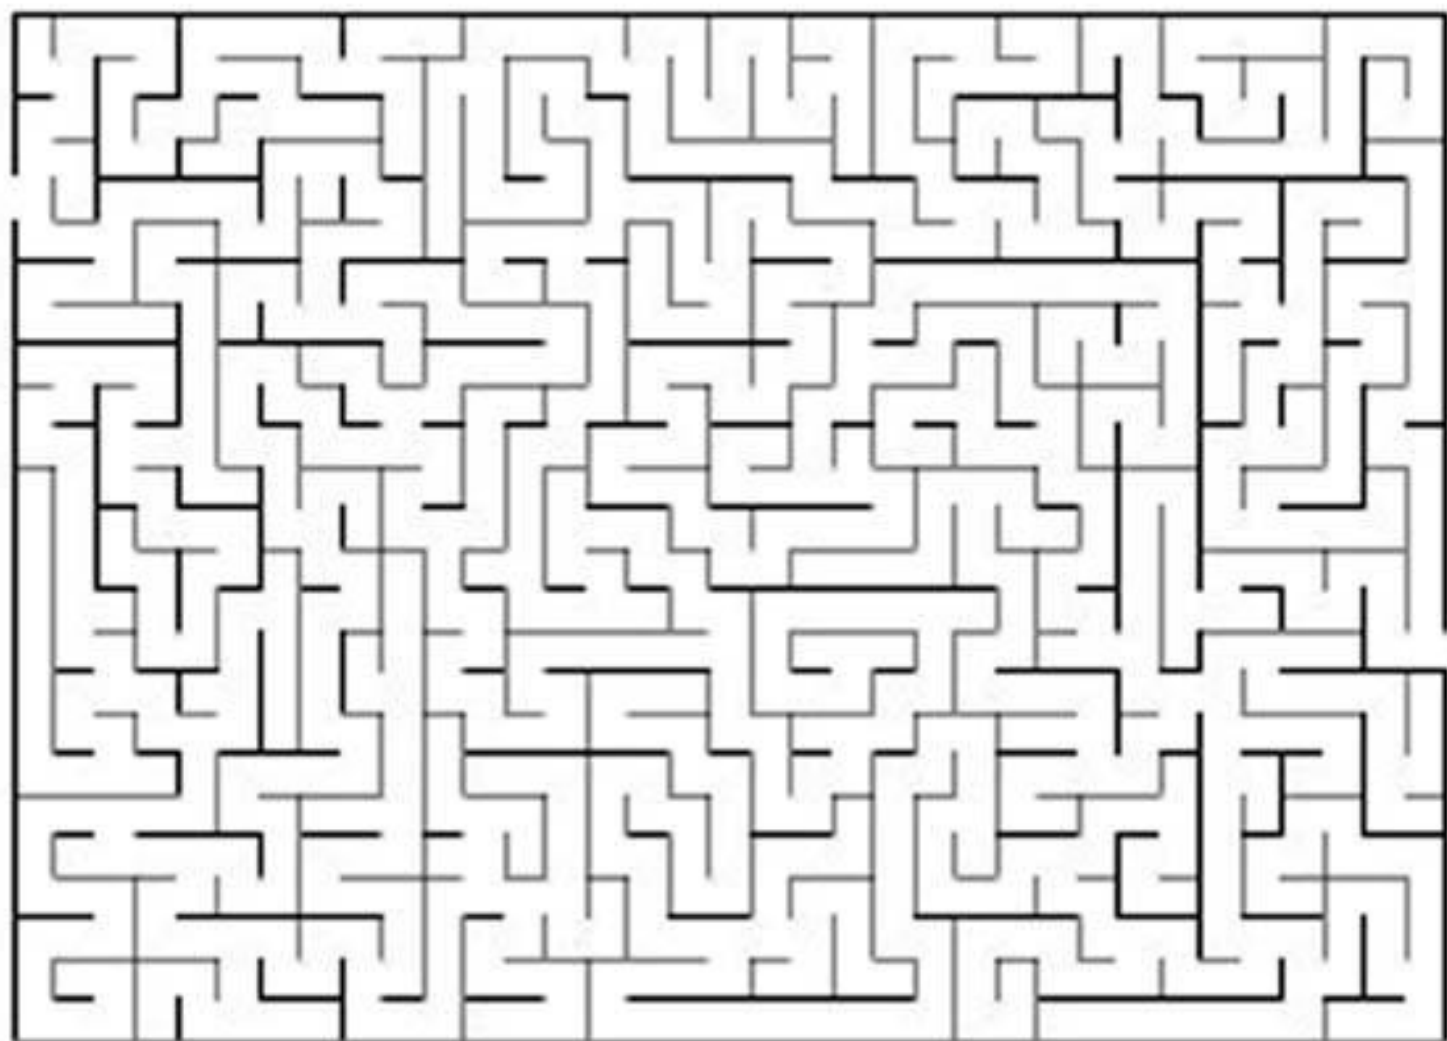

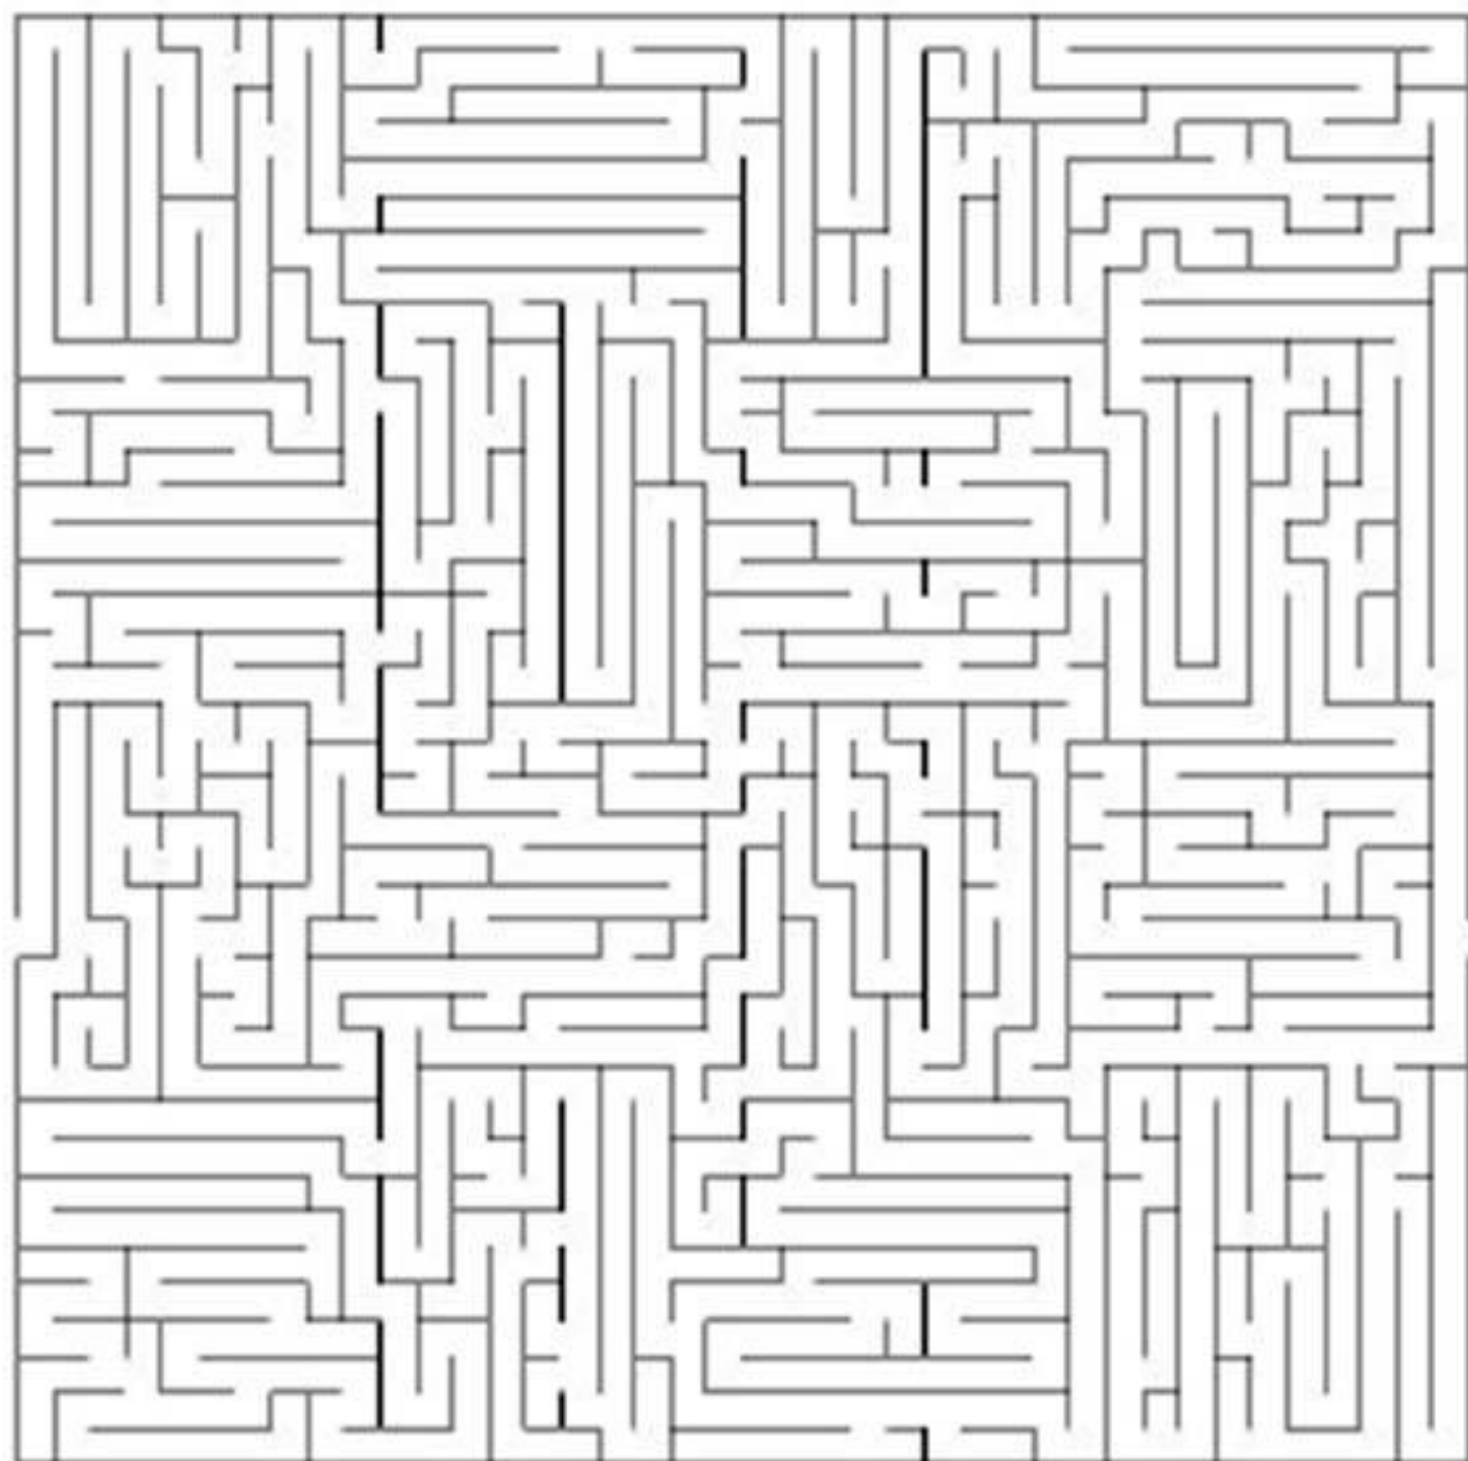

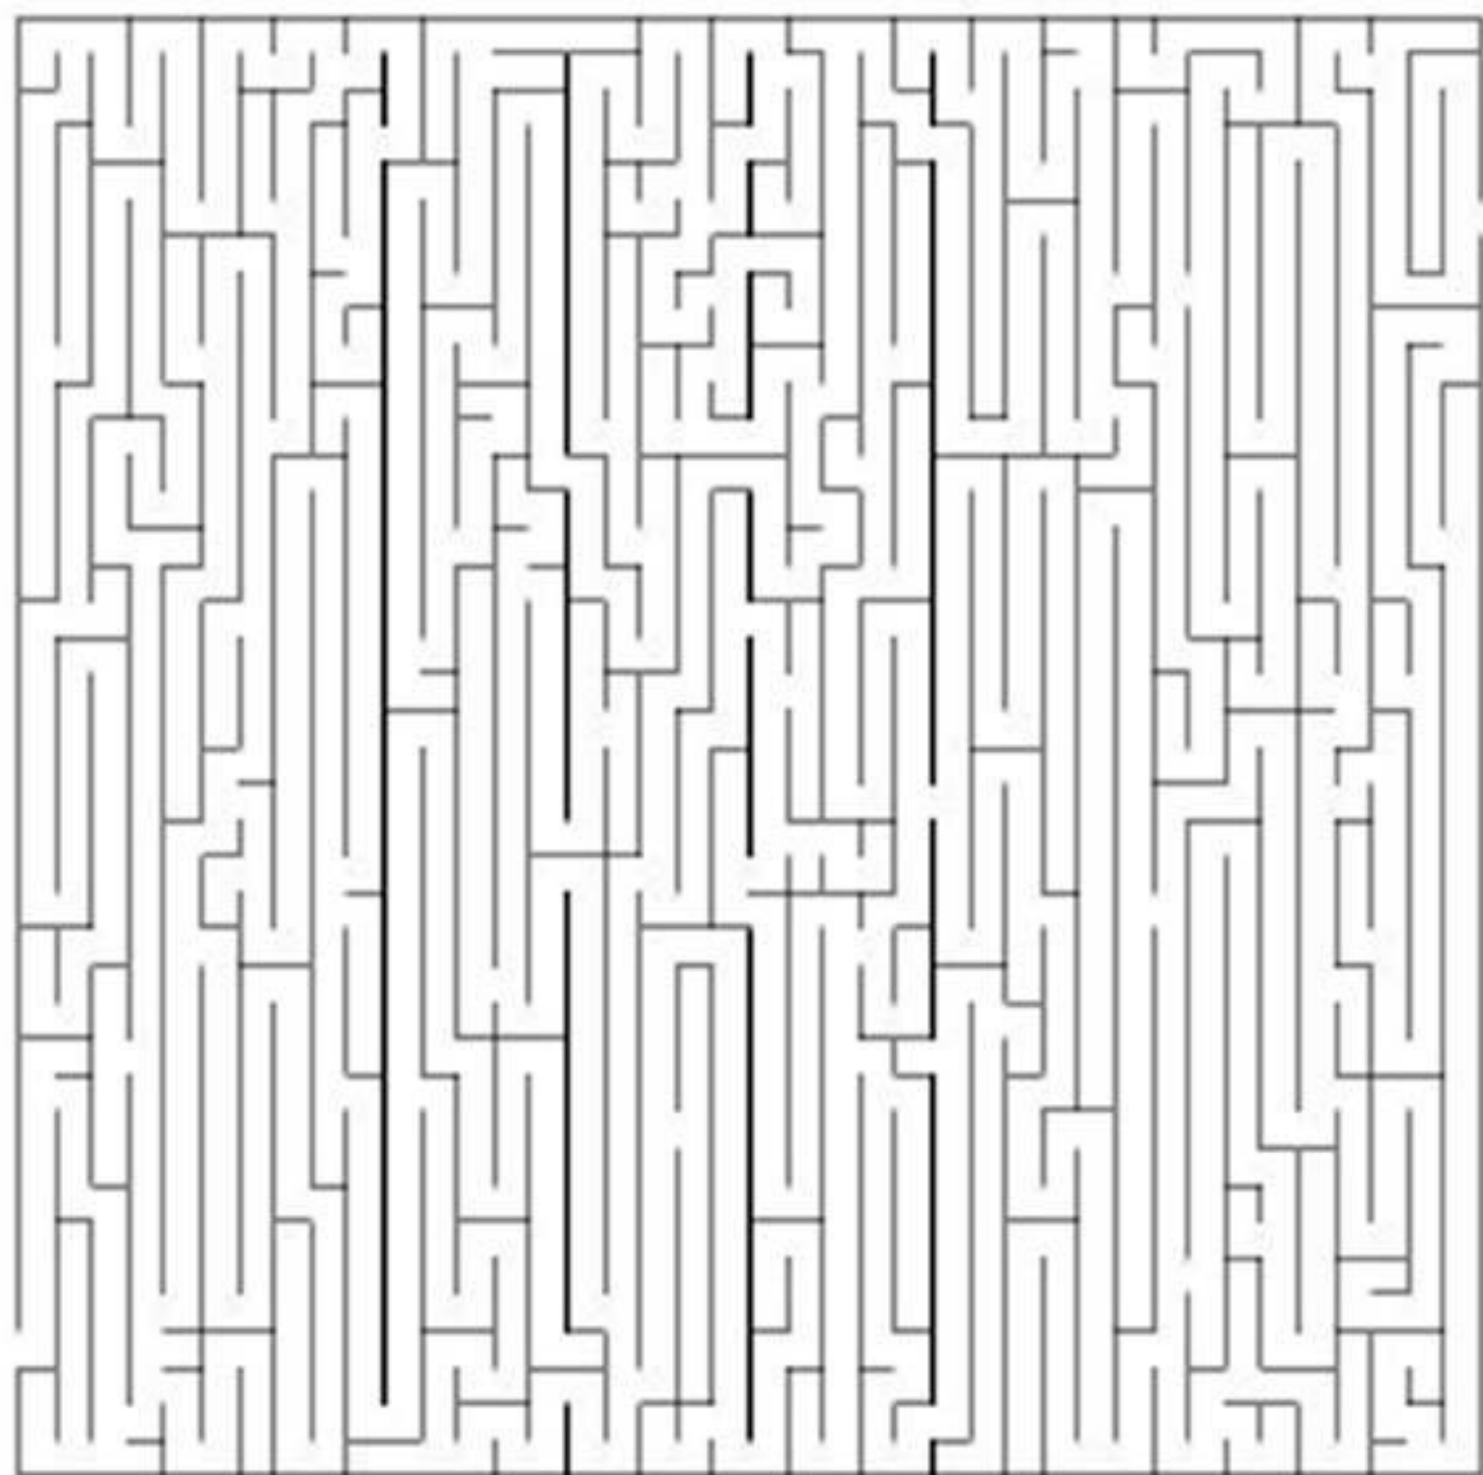

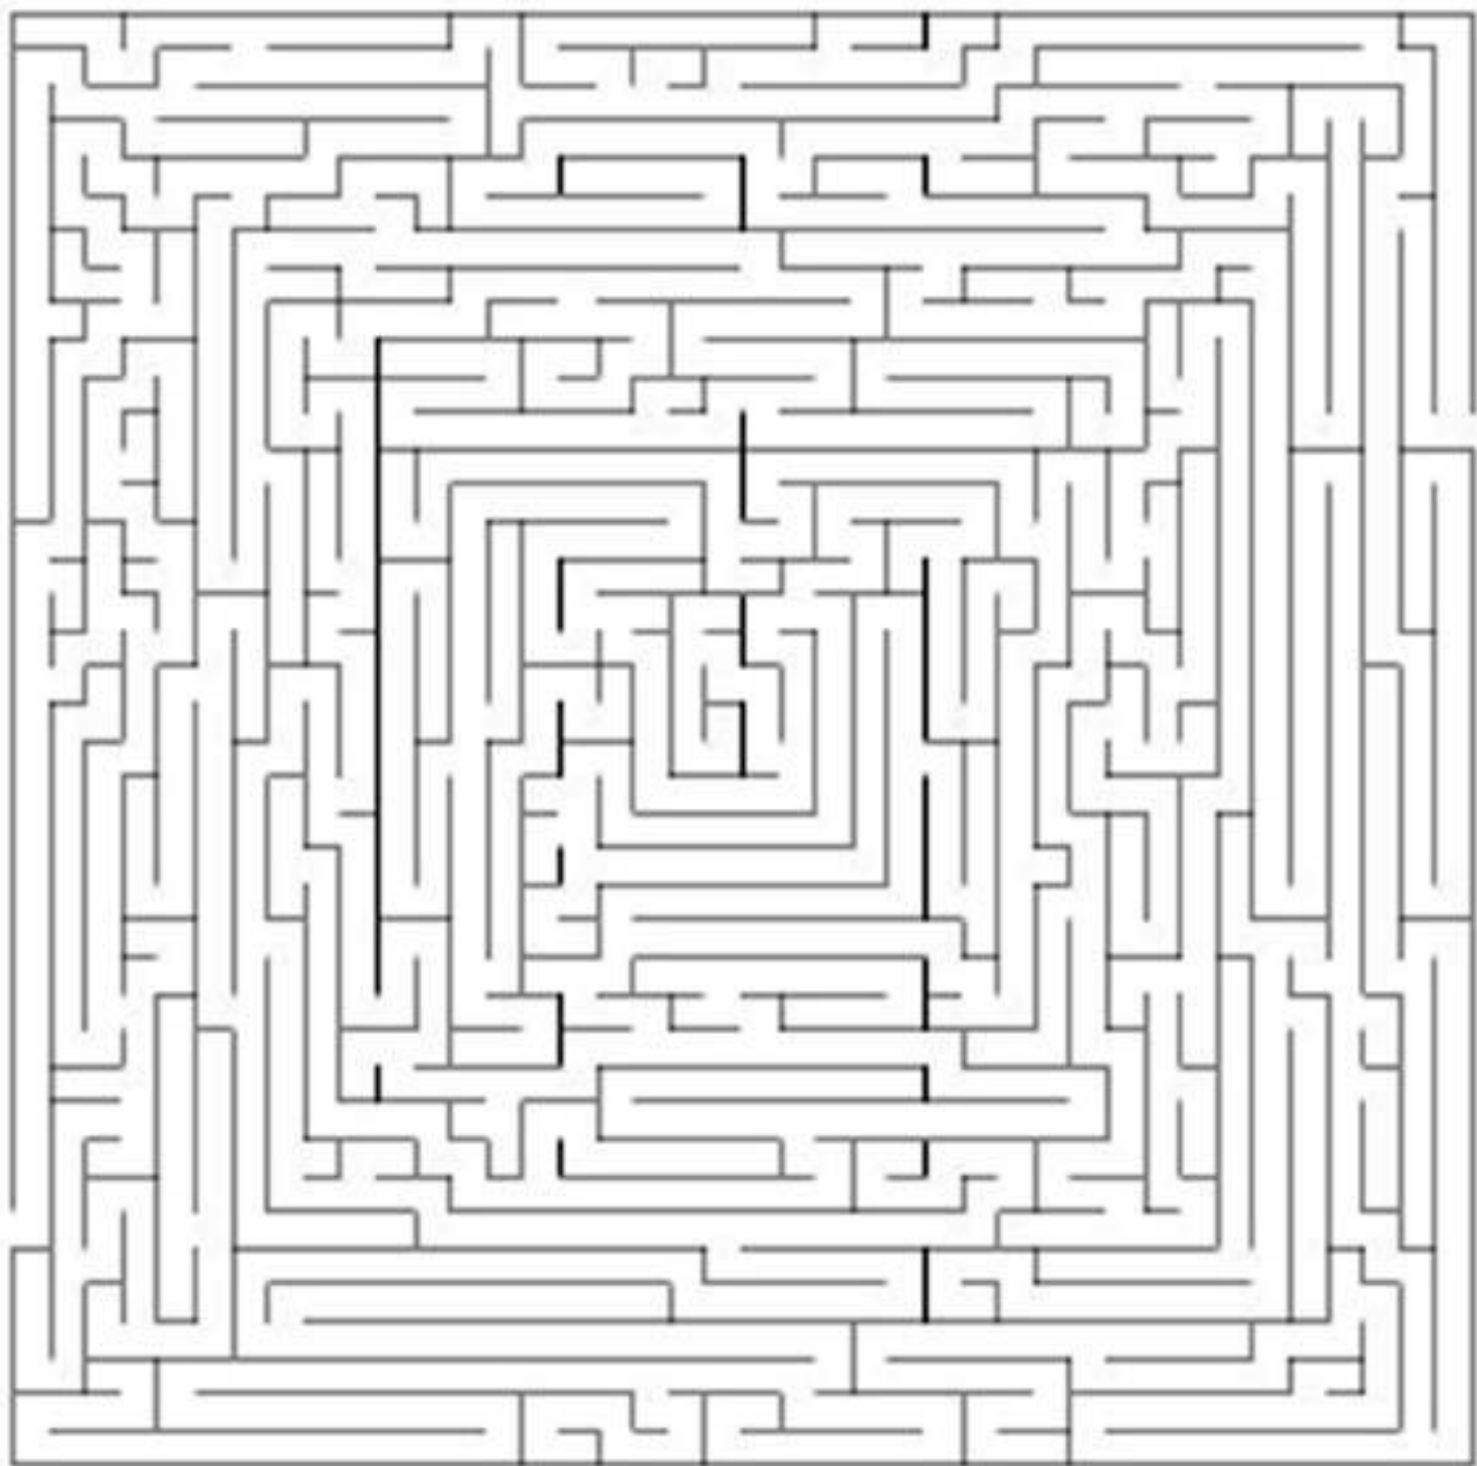

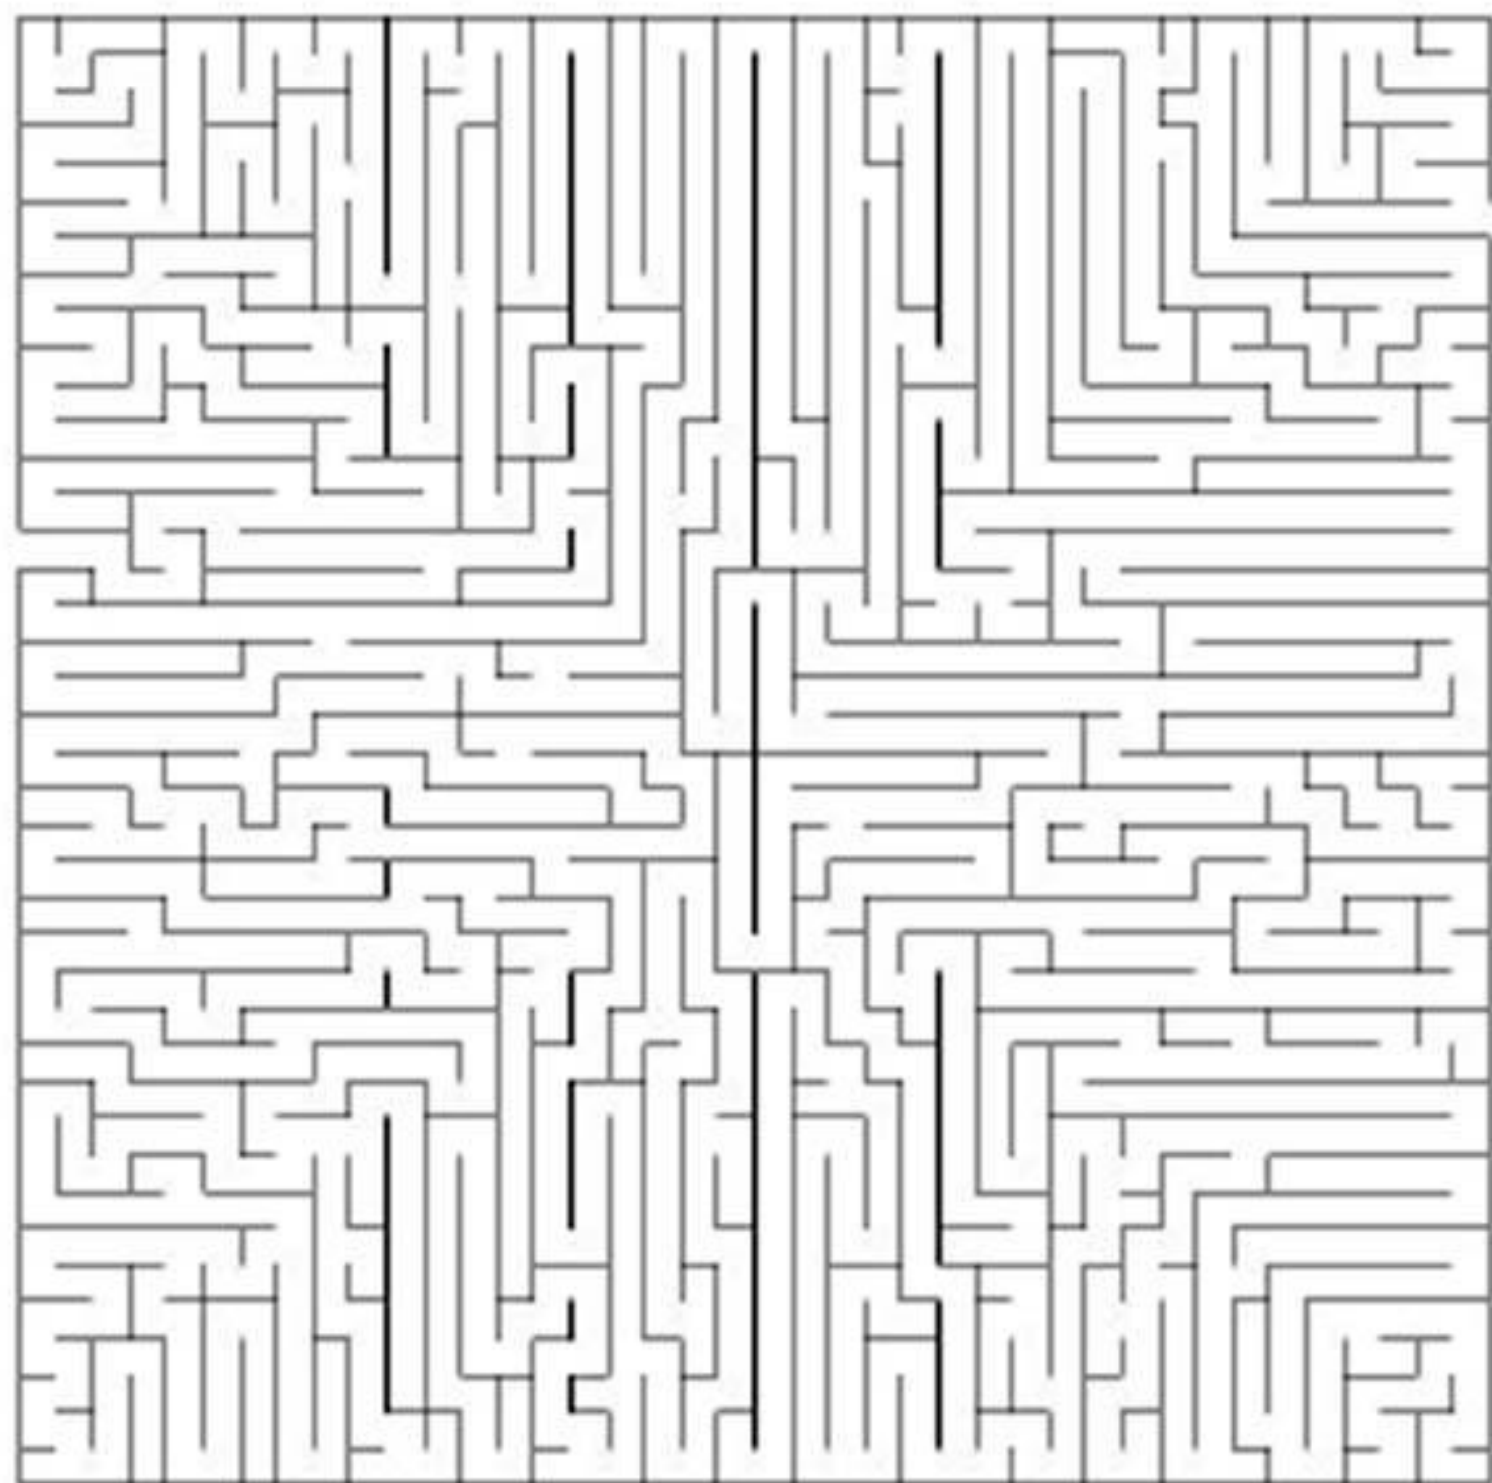

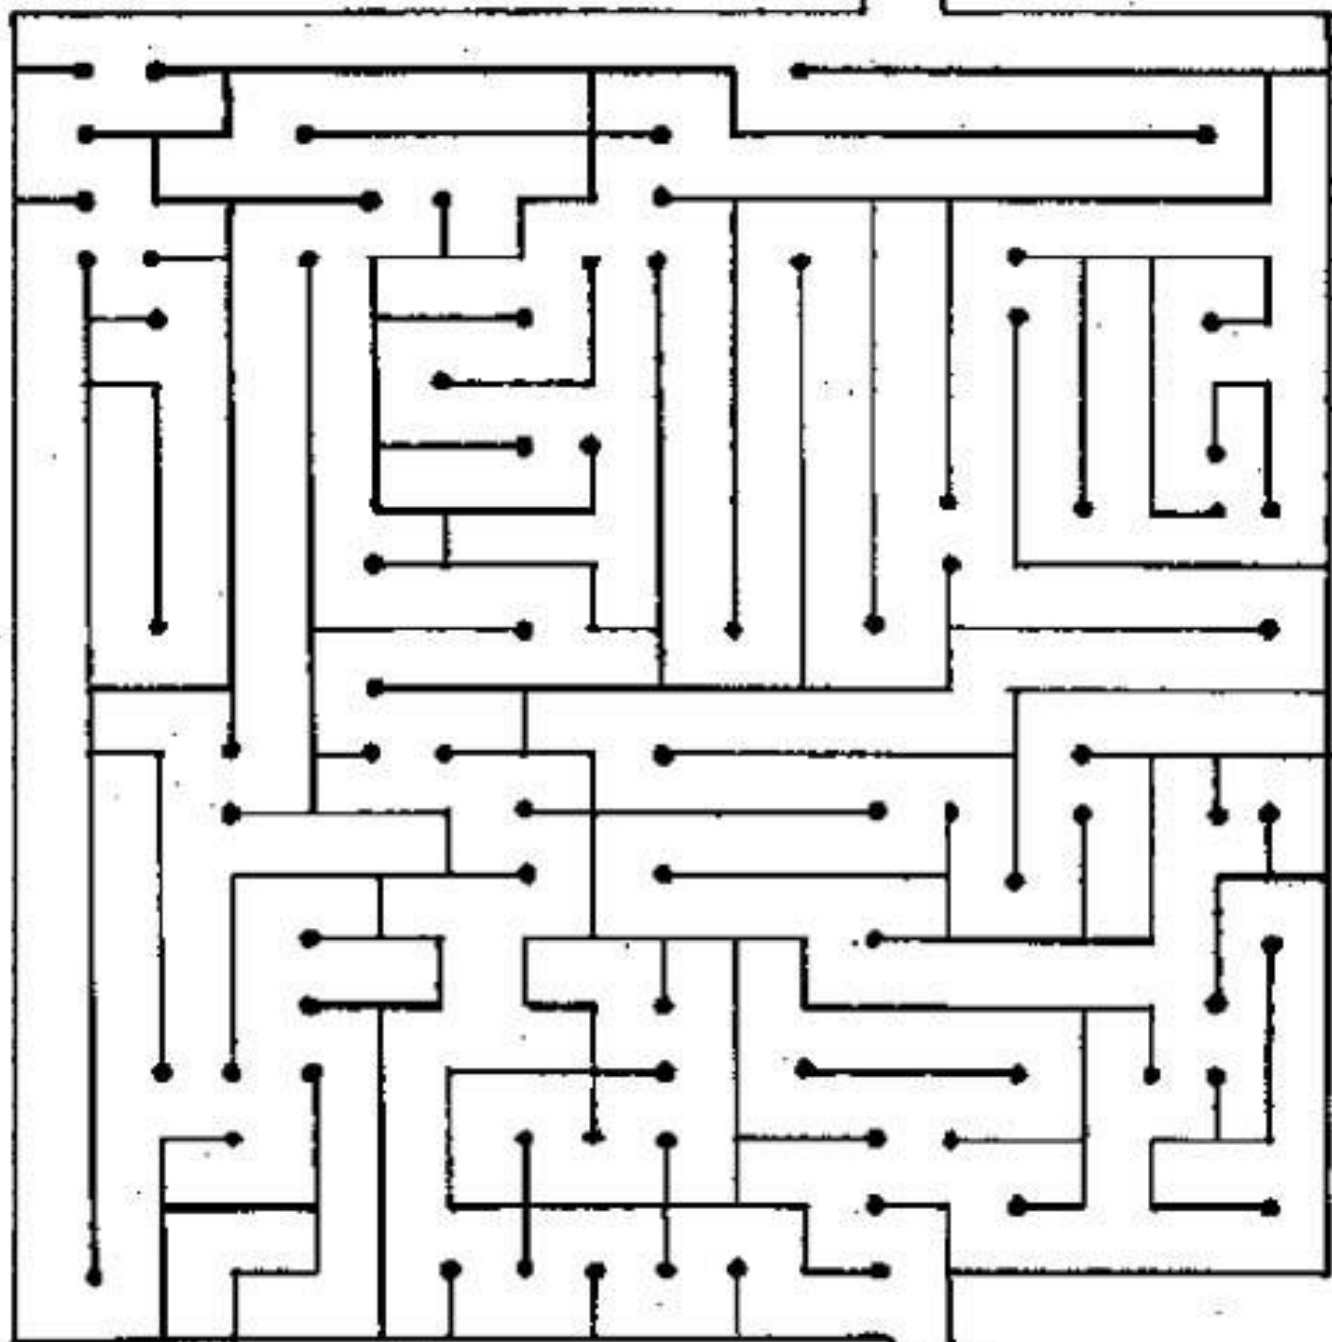

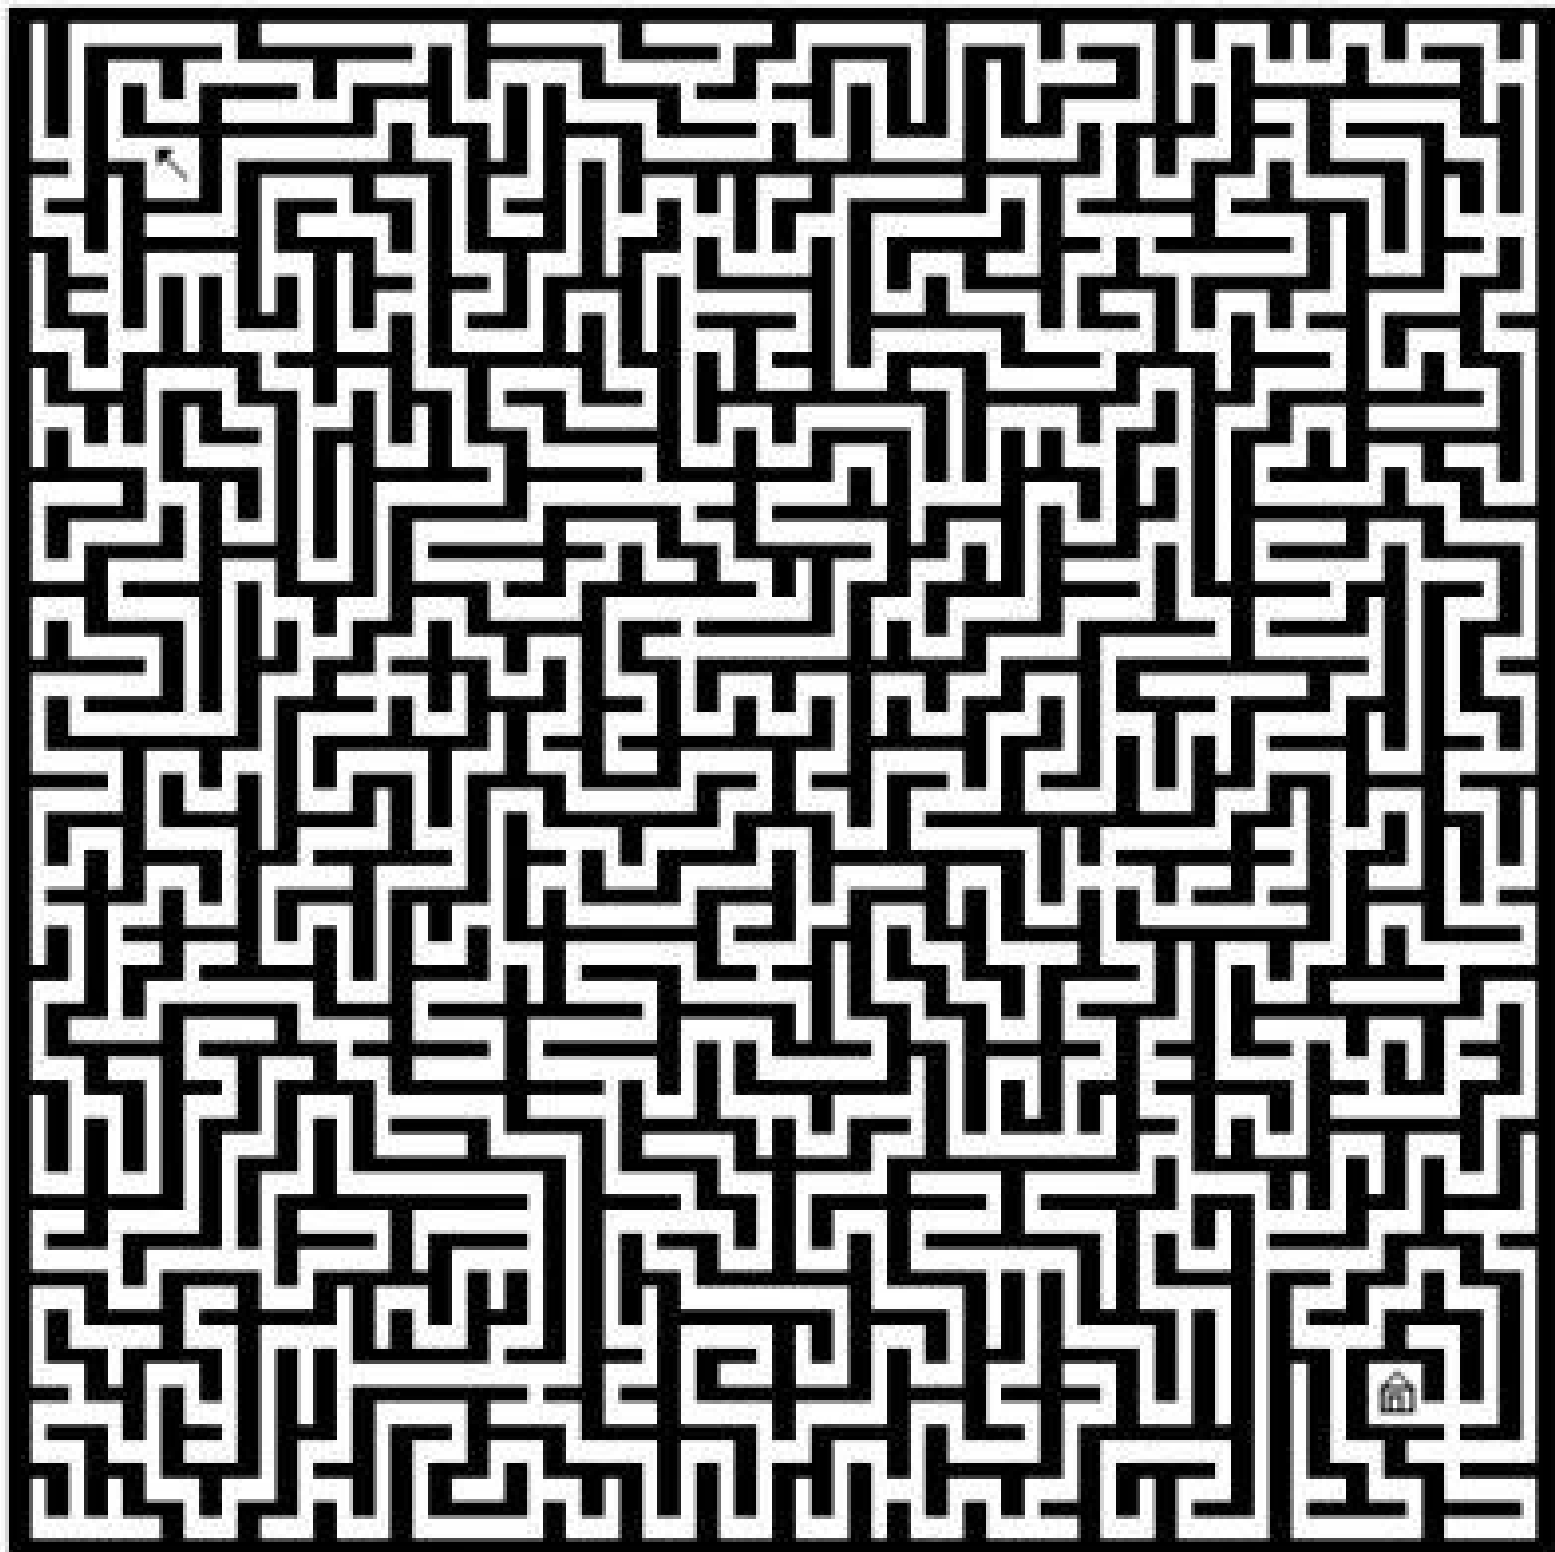

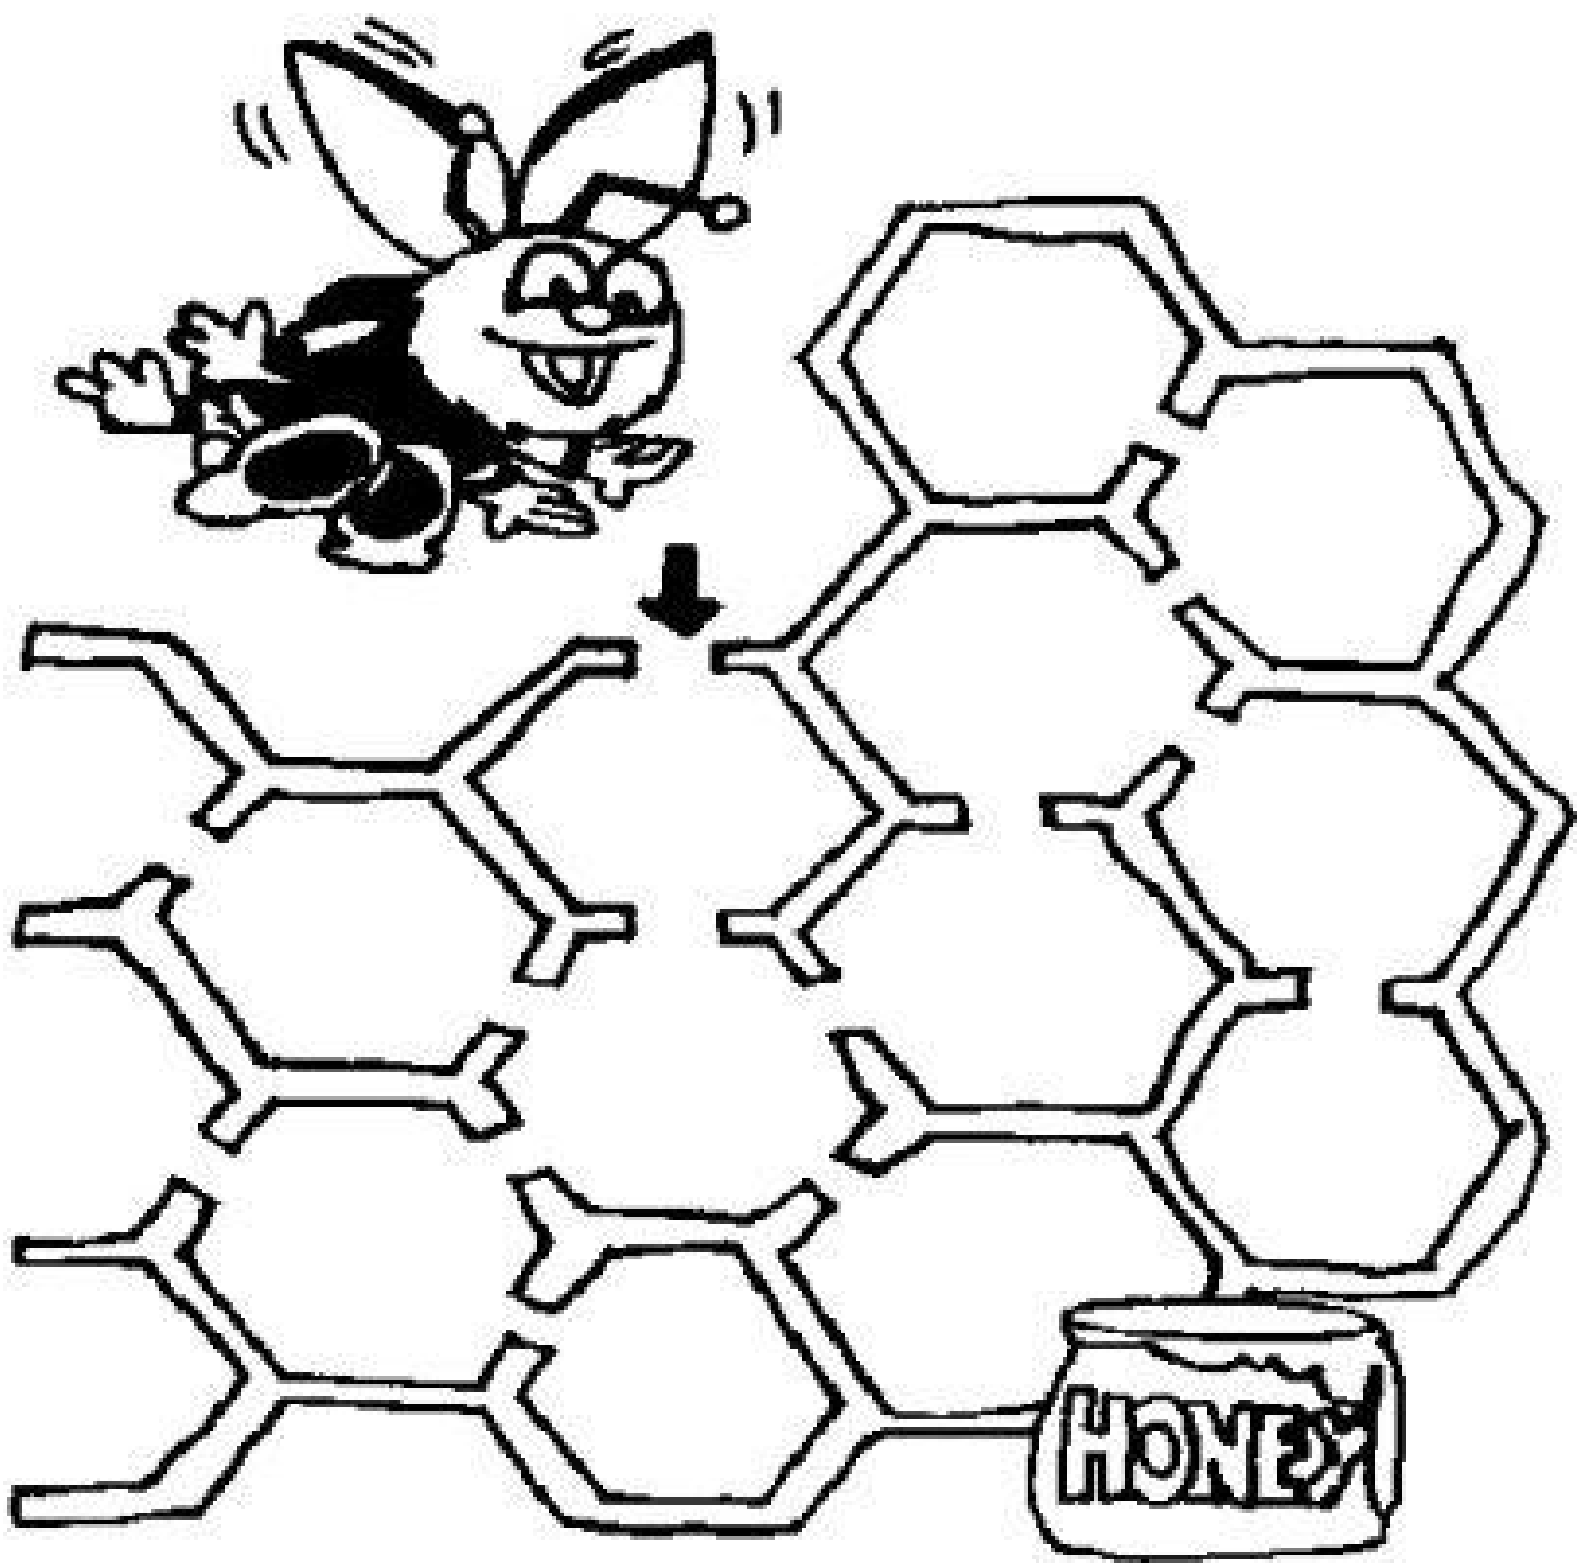

There are two ways
from the park to home.

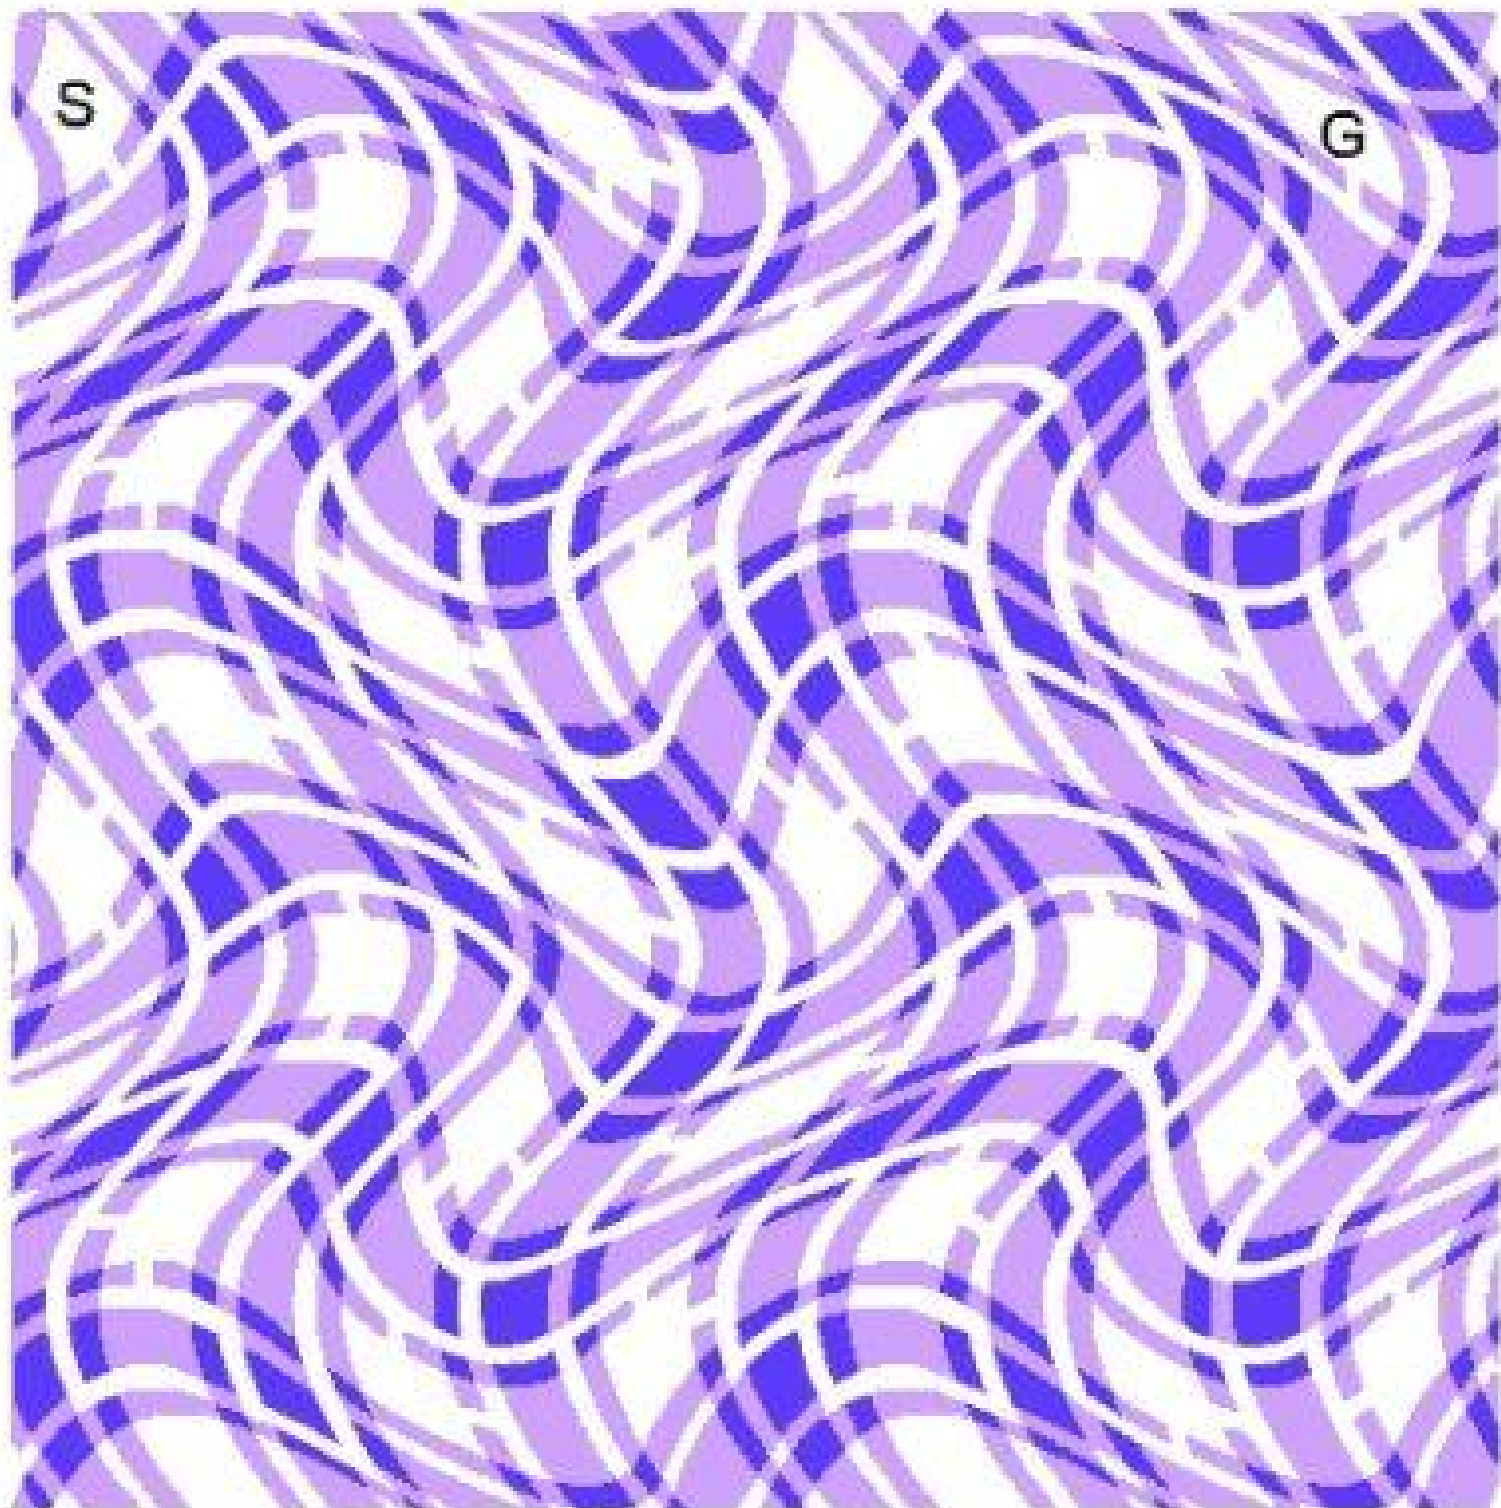

Can you find both?
