AMSTERDAM

E

A photograph of a street scene in Paris. In the foreground, a young man wearing a black beanie and a dark jacket with a plaid collar is walking towards the right. In the middle ground, a police officer in a dark blue uniform and a peaked cap is walking towards the left. The background features a building with a wooden facade and a sign that reads "LE MAGNUM DISCOTHEQUE". A street sign above a doorway says "RUE PUGET". To the left, a yellow sign is partially visible with the text "E RÉSERVÉE" and "CYCLISTES". A pedestrian crossing signal is visible on a pole, showing a green walking figure. The overall scene is a candid street photograph.

Handwritten graffiti in white paint on a dark asphalt surface. The graffiti consists of stylized Chinese characters and a graphic element. The characters are arranged from left to right: '車' (car), '西' (West), and '路' (road). The '西' character is partially obscured by a circular graphic element that resembles a bicycle wheel. The '路' character is highly stylized and elongated, extending towards the right edge of the frame. The background is a stone wall with large, rectangular blocks of varying shades of gray and brown.
